

Warren
HOBURG

1
00:00:11,845 --> 00:00:15,882
[MUSIC]

2
00:00:15,882 --> 00:00:16,416
>> WELL, THIS IS

3
00:00:16,416 --> 00:00:17,283
ONE OF MY BEST FRIENDS,

4
00:00:17,283 --> 00:00:18,385
AND HE MADE ME AWARE OF

5
00:00:18,385 --> 00:00:20,320
THE APPLICATION OPENING.

6
00:00:20,320 --> 00:00:21,321
I HADN'T BEEN AWARE OF IT

7
00:00:21,321 --> 00:00:22,222
UNTIL THEN.

8
00:00:22,222 --> 00:00:24,257
AND AGAIN, IT WAS KIND OF A,

9
00:00:24,257 --> 00:00:25,191
"YEAH, LET'S THROW OUR HATS

10
00:00:25,191 --> 00:00:26,893
"INTO THE RING AND DO THIS."

11
00:00:26,893 --> 00:00:27,994
HE'S GOT A PRETTY DEMANDING

12
00:00:27,994 --> 00:00:29,295
AND TOUGH JOB, AND

13
00:00:29,295 --> 00:00:30,663

HE ULTIMATELY GOT SUPER BUSY

14

00:00:30,663 --> 00:00:32,365
AND DIDN'T HAVE A CHANCE

15

00:00:32,365 --> 00:00:33,400
TO ACTUALLY FILL OUT

16

00:00:33,400 --> 00:00:34,701
THE APPLICATION.

17

00:00:34,701 --> 00:00:35,735
THANKS TO HIM, I THINK,

18

00:00:35,735 --> 00:00:39,205
I WENT FOR IT THIS TIME

19

00:00:39,205 --> 00:00:41,608
AND GOT REALLY LUCKY.

20

00:00:41,608 --> 00:00:45,612
[MUSIC]

21

00:00:45,612 --> 00:00:46,112
I GREW UP IN

22

00:00:46,112 --> 00:00:47,380
PITTSBURGH, PENNSYLVANIA.

23

00:00:47,380 --> 00:00:48,515
I'M CURRENTLY ON THE FACULTY

24

00:00:48,515 --> 00:00:50,683
AT MIT IN AEROSPACE ENGINEERING.

25

00:00:50,683 --> 00:00:51,918
BEFORE THAT I SPENT A LITTLE

26

00:00:51,918 --> 00:00:52,685

BIT OF TIME AT BOEING

27

00:00:52,685 --> 00:00:53,820

COMMERCIAL AIRPLANES,

28

00:00:53,820 --> 00:00:55,355

AND BEFORE THAT I WAS

29

00:00:55,355 --> 00:00:56,790

IN GRADUATE SCHOOL STUDYING

30

00:00:56,790 --> 00:00:57,690

COMPUTER SCIENCE

31

00:00:57,690 --> 00:00:59,092

AND SPENDING SUMMERS

32

00:00:59,092 --> 00:01:00,059

WORKING SEARCH AND RESCUE

33

00:01:00,059 --> 00:01:01,561

IN CALIFORNIA.

34

00:01:01,561 --> 00:01:06,499

[MUSIC]

35

00:01:06,499 --> 00:01:07,767

BACK IN HIGH SCHOOL, I--

36

00:01:07,767 --> 00:01:09,035

ONE OF MY HOBBIES WAS I USED TO

37

00:01:09,035 --> 00:01:10,870

FLY BIG AMATEUR ROCKETS,

38

00:01:10,870 --> 00:01:11,571

SO THAT'S WHAT GOT ME REALLY

39

00:01:11,571 --> 00:01:14,174

STARTED IN BEING EXCITED

40

00:01:14,174 --> 00:01:15,241

ABOUT ENGINEERING

41

00:01:15,241 --> 00:01:16,709

AND SCIENCE AND MATH,

42

00:01:16,709 --> 00:01:18,511

AND ULTIMATELY KIND OF

43

00:01:18,511 --> 00:01:20,246

CHOOSING THIS CAREER PATH.

44

00:01:20,246 --> 00:01:21,648

SO I WANTED TO APPLY,

45

00:01:21,648 --> 00:01:22,482

BASICALLY WANTED TO

46

00:01:22,482 --> 00:01:23,750

THROW MY HAT INTO THE RING.

47

00:01:23,750 --> 00:01:25,151

I THOUGHT IT WAS A CHANCE

48

00:01:25,151 --> 00:01:26,786

TO HOPEFULLY SERVE THE COUNTRY,

49

00:01:26,786 --> 00:01:27,554

CONTRIBUTE TO SPACE

50

00:01:27,554 --> 00:01:29,255

EXPLORATION, AND ULTIMATELY

51

00:01:29,255 --> 00:01:30,523

JUST HAVE A TON OF FUN

52

00:01:30,523 --> 00:01:31,591

DOING ALL OF THAT.

53

00:01:31,591 --> 00:01:37,697

[MUSIC]

54

00:01:37,697 --> 00:01:39,599

SO I WAS IN MY OFFICE AT MIT.

55

00:01:39,599 --> 00:01:41,968

I WAS WORKING ON SOME SOFTWARE,

56

00:01:41,968 --> 00:01:42,869

ACTUALLY, FOR SOME AIRCRAFT

57

00:01:42,869 --> 00:01:43,837

WE'RE DESIGNING,

58

00:01:43,837 --> 00:01:44,971

AND THE PHONE RANG.

59

00:01:44,971 --> 00:01:46,639

OF COURSE, WE GOT A LITTLE

60

00:01:46,639 --> 00:01:47,707

HEADS UP ON WHAT DATE

61

00:01:47,707 --> 00:01:48,775

THE CALL WOULD BE COMING ON,

62

00:01:48,775 --> 00:01:50,143

SO I HAD A PRETTY GOOD GUESS

63

00:01:50,143 --> 00:01:51,478

ABOUT WHAT TYPE OF--

64

00:01:51,478 --> 00:01:54,113

ABOUT WHO WAS CALLING.

65

00:01:54,113 --> 00:01:55,415

AND IT WAS JUST AN ABSOLUTE

66

00:01:55,415 --> 00:01:59,052

THRILL TO HEAR BK

67

00:01:59,052 --> 00:01:59,719

AND CHRIS CASSIDY

68

00:01:59,719 --> 00:02:00,887

ON THE OTHER END OF THE LINE

69

00:02:00,887 --> 00:02:02,622

DELIVERING THE NEWS.

70

00:02:02,622 --> 00:02:07,927

[MUSIC]

71

00:02:07,927 --> 00:02:09,062

IT WAS BACK IN HIGH SCHOOL

72

00:02:09,062 --> 00:02:09,896

THAT I REALIZED I WAS REALLY

73

00:02:09,896 --> 00:02:11,998

INTERESTED IN ENGINEERING.

74

00:02:11,998 --> 00:02:14,367

I ALWAYS LIKED TAKING THINGS

75

00:02:14,367 --> 00:02:15,435

APART AND UNDERSTANDING

76

00:02:15,435 --> 00:02:16,369

HOW THINGS WORK.

77

00:02:16,369 --> 00:02:18,271

AND THEN I ALSO REALLY

78

00:02:18,271 --> 00:02:19,906

ENJOY SOLVING PROBLEMS.

79

00:02:19,906 --> 00:02:21,708

AND SO ENGINEERING JUST FELT

80

00:02:21,708 --> 00:02:23,309

LIKE A NATURAL FIT THERE.

81

00:02:23,309 --> 00:02:26,980

[MUSIC]

82

00:02:26,980 --> 00:02:27,747

DO COOL THINGS.

83

00:02:27,747 --> 00:02:28,381

DO THINGS THAT

84

00:02:28,381 --> 00:02:29,349

YOU'RE EXCITED ABOUT.

85

00:02:29,349 --> 00:02:31,084

AND WORK ON IMPORTANT THINGS.

86

00:02:31,084 --> 00:02:31,918

SO WORK ON THINGS THAT

87

00:02:31,918 --> 00:02:33,286

YOU THINK MATTER.

88

00:02:33,286 --> 00:02:44,998

[MUSIC]
