

Expedition 53's Thanksgiving Memories

1
00:00:07,749 --> 00:00:05,670
for thanksgiving um we all prepare a

2
00:00:08,870 --> 00:00:07,759
wonderful meal my wife cooks up the most

3
00:00:11,430 --> 00:00:08,880
amazing

4
00:00:14,310 --> 00:00:11,440
dinner and we have uh any family that

5
00:00:15,910 --> 00:00:14,320
might be in town or or friends or people

6
00:00:17,990 --> 00:00:15,920
from our church that come on over what

7
00:00:20,390 --> 00:00:18,000
we have really enjoyed in a warmer

8
00:00:22,870 --> 00:00:20,400
climate in houston is moving our dining

9
00:00:25,269 --> 00:00:22,880
room table out onto the sidewalk and

10
00:00:27,029 --> 00:00:25,279
having uh thanksgiving

11
00:00:28,230 --> 00:00:27,039
outside with our neighbors which has

12
00:00:30,070 --> 00:00:28,240
really been a lot of fun well

13
00:00:32,389 --> 00:00:30,080

thanksgiving for the vanda highs when i

14

00:00:35,190 --> 00:00:32,399

was a child involved

15

00:00:38,069 --> 00:00:35,200

an early afternoon dinner big turkey of

16

00:00:40,790 --> 00:00:38,079

course cranberry sauce our cranberry

17

00:00:43,270 --> 00:00:40,800

sauce still had the lines from the can

18

00:00:45,190 --> 00:00:43,280

our stuffing was made out of meat so we

19

00:00:47,510 --> 00:00:45,200

had more meat stuffing inside of the

20

00:00:49,029 --> 00:00:47,520

turkey for some reason we had shrimp

21

00:00:50,630 --> 00:00:49,039

cocktail and that was one of my favorite

22

00:00:52,470 --> 00:00:50,640

parts and maybe that's traditional but i

23

00:00:54,069 --> 00:00:52,480

don't see it too often my favorite part

24

00:00:55,750 --> 00:00:54,079

which i could usually eat for breakfast

25

00:00:57,270 --> 00:00:55,760

over the next three days

26
00:00:59,029 --> 00:00:57,280
was the pumpkin pies my mom would

27
00:01:01,830 --> 00:00:59,039
normally make so my favorite part about

28
00:01:03,910 --> 00:01:01,840
thanksgiving nowadays is the peace and

29
00:01:05,429 --> 00:01:03,920
tranquility fall weather and the time to

30
00:01:07,510 --> 00:01:05,439
spend with other people that southern

31
00:01:09,429 --> 00:01:07,520
hospitality it's just just a wonderful

32
00:01:11,590 --> 00:01:09,439
time to be outside with friends i love

33
00:01:14,469 --> 00:01:11,600
getting up in the morning going for a

34
00:01:15,749 --> 00:01:14,479
run i come back i make this huge brunch

35
00:01:17,590 --> 00:01:15,759
and the part about the peace and

36
00:01:19,590 --> 00:01:17,600
tranquility is it does give me a chance

37
00:01:21,590 --> 00:01:19,600
to reflect on my life all the things

38
00:01:23,109 --> 00:01:21,600

that i have to be thankful for you know

39

00:01:25,109 --> 00:01:23,119

the blessings in our lives the health of

40

00:01:26,630 --> 00:01:25,119

our our families all the opportunities

41

00:01:28,710 --> 00:01:26,640

that i've had and just the fact that we

42

00:01:30,069 --> 00:01:28,720

can have food on our table like that and

43

00:01:31,749 --> 00:01:30,079

celebrate the thanksgiving it's a

44

00:01:33,590 --> 00:01:31,759

wonderful time of year and it's a

45

00:01:35,620 --> 00:01:33,600

wonderful holiday and i hope everyone
