

Expedition 54's  
Christmas Memories

1  
00:00:04,150 --> 00:00:01,990

[Music]

2  
00:00:05,780 --> 00:00:04,160

most cherished memories there's a couple

3  
00:00:07,110 --> 00:00:05,790

coming downstairs on a

4  
00:00:09,270 --> 00:00:07,120

[Music]

5  
00:00:11,430 --> 00:00:09,280

christmas morning it looked to me like

6  
00:00:13,830 --> 00:00:11,440

the whole floor that the christmas tree

7  
00:00:15,749 --> 00:00:13,840

was on was full of gifts i went with my

8  
00:00:19,349 --> 00:00:15,759

family we all went to uh turks and

9  
00:00:22,070 --> 00:00:19,359

caicos we had a tropical christmas

10  
00:00:24,710 --> 00:00:22,080

santa claus had come to our house

11  
00:00:26,550 --> 00:00:24,720

and all the presents were there and that

12  
00:00:28,070 --> 00:00:26,560

gave me proof that santa claus was real

13  
00:00:29,189 --> 00:00:28,080

so i actually almost got in some fights

14

00:00:30,630 --> 00:00:29,199

at school because people were trying to

15

00:00:32,630 --> 00:00:30,640

convince me santa claus wasn't real the

16

00:00:34,150 --> 00:00:32,640

only problem was of course i had to wait

17

00:00:35,990 --> 00:00:34,160

the rule was we couldn't start opening

18

00:00:38,069 --> 00:00:36,000

presents until mom and dad were awake we

19

00:00:40,549 --> 00:00:38,079

were celebrating my sister-in-law's

20

00:00:42,950 --> 00:00:40,559

five-year battle against cancer she's

21

00:00:44,630 --> 00:00:42,960

doing great nothing better than having

22

00:00:47,029 --> 00:00:44,640

the family together

23

00:00:48,549 --> 00:00:47,039

celebrating it together we love you liz

24

00:00:50,549 --> 00:00:48,559

quite honestly when it comes to my

25

00:00:52,470 --> 00:00:50,559

favorite gift um it's probably

26

00:00:54,709 --> 00:00:52,480

indicative of getting too many gifts i

27

00:00:56,549 --> 00:00:54,719

don't remember anything being that

28

00:00:58,389 --> 00:00:56,559

exciting for more than about a week

29

00:01:01,670 --> 00:00:58,399

definitely has to be my

30

00:01:03,349 --> 00:01:01,680

bmx bicycle and gosh my mom's gonna be

31

00:01:05,830 --> 00:01:03,359

disappointed me for saying this when we

32

00:01:07,750 --> 00:01:05,840

got an atari i spent way too many hours

33

00:01:09,990 --> 00:01:07,760

playing on that that thing and we would

34

00:01:11,990 --> 00:01:10,000

be out riding through the orange groves
