

Christmas
on the
**International
Space Station**

1
00:00:16,310 --> 00:00:06,400
oh

2
00:00:20,630 --> 00:00:18,230
we're gonna have turkey

3
00:00:21,830 --> 00:00:20,640
it comes in a pouch up here packaged uh

4
00:00:24,230 --> 00:00:21,840
cider

5
00:00:26,550 --> 00:00:24,240
cocoa hot cocoa is one of my favorites

6
00:00:28,230 --> 00:00:26,560
especially growing up in iowa times are

7
00:00:30,550 --> 00:00:28,240
hard all over the world but this is a

8
00:00:32,950 --> 00:00:30,560
time when we can all think about being

9
00:00:35,270 --> 00:00:32,960
together and treasuring our planet and

10
00:00:37,030 --> 00:00:35,280
we have a pretty nice view of it up here

11
00:00:38,709 --> 00:00:37,040
i think we have it on video actual

12
00:00:41,350 --> 00:00:38,719
documentation that we ate the whole

13
00:00:43,430 --> 00:00:41,360

thing mashed potatoes coming out they're

14

00:00:45,350 --> 00:00:43,440

dehydrated and some cornbread stuffing

15

00:00:47,590 --> 00:00:45,360

we'll have a gingerbread

16

00:00:49,510 --> 00:00:47,600

which is also a special special one that

17

00:00:51,590 --> 00:00:49,520

i remember from way back when that's

18

00:00:53,270 --> 00:00:51,600

going to make me travel down memory lane

19

00:00:55,189 --> 00:00:53,280

and i hope you guys will like it from

20

00:00:57,430 --> 00:00:55,199

the international space station orbiting

21

00:01:00,360 --> 00:00:57,440

high over you we wish you a merry merry
