

A quilted grey space suit is the central focus, laid out on a background of an American flag. The suit has a circular shape with a central opening and several pockets. The background consists of red, white, and blue stripes, with a blue field containing white stars. The text "Fly Me to the Moon" is written in a white, cursive font across a semi-transparent red banner that spans the width of the image.

*Fly Me to the Moon*

1  
00:00:06,389 --> 00:00:03,510  
but why some say the moon

2  
00:00:08,470 --> 00:00:06,399  
why choose this as our goal

3  
00:00:11,030 --> 00:00:08,480  
and they may well ask

4  
00:00:13,190 --> 00:00:11,040  
why climb the highest mountain

5  
00:00:14,870 --> 00:00:13,200  
why 35 years ago

6  
00:00:17,029 --> 00:00:14,880  
fly the atlantic

7  
00:00:19,750 --> 00:00:17,039  
why does rice play texas

8  
00:00:26,950 --> 00:00:19,760  
we choose to go to the moon

9  
00:00:29,429 --> 00:00:26,960  
decade and do the other things

10  
00:00:30,870 --> 00:00:29,439  
not because they are easy but because

11  
00:00:32,950 --> 00:00:30,880  
they are hard

12  
00:00:35,270 --> 00:00:32,960  
because that goal

13  
00:00:36,229 --> 00:00:35,280

will serve to organize and measure the

14

00:00:38,389 --> 00:00:36,239

best

15

00:00:40,630 --> 00:00:38,399

of our energies and skills

16

00:00:42,389 --> 00:00:40,640

because that challenge is one that we're

17

00:00:45,029 --> 00:00:42,399

willing to accept

18

00:00:47,670 --> 00:00:45,039

one we are unwilling to postpone

19

00:00:51,590 --> 00:00:47,680

and one we intend to win and the others

20

00:00:56,869 --> 00:00:53,510

well they were there for the 50th

21

00:00:59,189 --> 00:00:56,879

anniversary of the apollo one tragedy

22

00:01:01,830 --> 00:00:59,199

it's it's not just the artist's

23

00:01:04,630 --> 00:01:01,840

statement about their work but it's also

24

00:01:07,350 --> 00:01:04,640

an education because there are so many

25

00:01:08,870 --> 00:01:07,360

people now that don't remember

26

00:01:10,710 --> 00:01:08,880

anything about

27

00:01:14,550 --> 00:01:10,720

the apollo mission

28

00:01:16,950 --> 00:01:14,560

there was a memorial quilt showing the

29

00:01:20,310 --> 00:01:16,960

launch pad as it is now

30

00:01:22,149 --> 00:01:20,320

and she actually cut it all out as one

31

00:01:24,789 --> 00:01:22,159

piece of fabric

32

00:01:26,390 --> 00:01:24,799

another one we had was for all of you

33

00:01:29,429 --> 00:01:26,400

that work at nasa

34

00:01:32,710 --> 00:01:29,439

it was a rocket with flames coming down

35

00:01:35,749 --> 00:01:32,720

and on each flame was written a job done

36

00:01:37,109 --> 00:01:35,759

behind the scenes that got the guys

37

00:01:41,270 --> 00:01:37,119

off the ground

38

00:01:42,550 --> 00:01:41,280

apollo 1 the beginning is the memorial

39

00:01:46,310 --> 00:01:42,560

which is

40

00:01:48,230 --> 00:01:46,320

on that launch pad and then three discs

41

00:01:51,830 --> 00:01:48,240

rising that are the spirits of those

42

00:01:51,840 --> 00:02:01,670

as they left us
