

A group of four young adults, three men and one woman, are gathered around a dark grey desk in a modern office setting. They are all smiling and looking towards a laptop on the desk. The man on the far left is wearing a light blue and white plaid shirt. The woman next to him has long brown hair, glasses, and is wearing a white top with a red lanyard. The man in the center is wearing a blue button-down shirt and has sunglasses hanging from his collar. The man on the far right is wearing a dark blue patterned shirt and glasses. On the desk, there are two laptops. The laptop on the right has two stickers: one for 'ORION ASCENT ABORT 2' and the NASA logo. A white cup with a red interior holds pens and sticky notes. A black rectangular object is on the desk in the foreground. In the background, there is a whiteboard with 'To-do' and 'A' written on it, and a wall with a geometric pattern of white lines on a wood-paneled background.

**A DAY IN THE LIFE
OF A NASA INTERN**
