

ADVISOR TO THE PRESIDENT IVANKA TRUMP SPEAKS WITH SPACE STATION CREW MEMBERS

Advisor to the President Ivanka Trump visited NASA's Johnson Space Center and its Mission Control Center on Thursday, Sept. 20, where she spoke with Expedition 56 Crew members Commander Drew Feustel, Flight Engineers Ricky Arnold and Serena Auñón-Chancellor, all of NASA, Flight Engineer Alex Gerst of ESA (European Space Agency) and Flight Engineers Oleg Artemyev and Sergey Prokopyev of the Russian space Agency Roscosmos on board the International Space Station. While at the Johnson Space Center, Ms. Trump also toured a mockup of the space station and NASA's Orion spacecraft, and met local high school students working with NASA engineers to build a robot for the FIRST Robotics Competition.

Length: 18:16

Super: NASA

Center Contact: James Hartsfield, 281-483-5111

HQ Contact: Megan Powers, 202-557-9558

1
00:00:00,133 --> 00:00:02,969
>> THIS IS SO COOL.

2
00:00:02,969 --> 00:00:04,571
YOU ALL HAVE THE MOST AMAZING

3
00:00:04,571 --> 00:00:08,408
JOB.

4
00:00:08,408 --> 00:00:20,086
[INDISCERNIBLE]

5
00:00:20,086 --> 00:00:23,323
>> WE ARE SENDING THEM VIDEO.

6
00:00:23,323 --> 00:00:34,934
[INDISCERNIBLE]

7
00:00:34,934 --> 00:01:05,398
>> THEY CAN SEE THE ROOM.

8
00:01:05,398 --> 00:01:07,200
IT'S NOT SUPER ZOOMED IN.

9
00:01:07,200 --> 00:01:09,135
>> WHERE IS THE CAMERA?

10
00:01:09,135 --> 00:01:10,537
>> LOOK UP THERE.

11
00:01:10,537 --> 00:01:12,672
>> THERE WE GO.

12
00:01:12,672 --> 00:01:18,211
>> HI!

13
00:01:18,211 --> 00:01:29,088

>> [INDISCERNIBLE]

14

00:01:29,088 --> 00:01:32,025

>> ALL RIGHT.

15

00:01:32,025 --> 00:01:32,525

[INDISCERNIBLE]

16

00:01:32,525 --> 00:01:35,662

>> NICE TO MEET YOU.

17

00:01:35,662 --> 00:01:39,299

>> THIS IS INCREDIBLE.

18

00:01:39,299 --> 00:01:41,000

VERY COOL.

19

00:01:41,000 --> 00:01:42,836

YOU HAVE THE COOLEST JOB.

20

00:01:42,836 --> 00:01:43,837

I WOULD LOVE TO.

21

00:01:43,837 --> 00:01:45,338

ABSOLUTELY.

22

00:01:45,338 --> 00:01:50,376

>> PUSH THIS BUTTON HERE.

23

00:01:50,376 --> 00:01:54,948

>> WE HAVE GOT ONE FOR YOU.

24

00:01:54,948 --> 00:01:55,748

HELLO.

25

00:01:55,748 --> 00:01:59,085

>> HELLO, THANKS FOR JOINING US

26
00:01:59,085 --> 00:02:00,220
ON THE INTERNATIONAL SPACE

27
00:02:00,220 --> 00:02:00,920
STATION.

28
00:02:00,920 --> 00:02:03,156
>> OH, MY GOODNESS, THIS IS SUCH

29
00:02:03,156 --> 00:02:04,557
A PLEASURE.

30
00:02:04,557 --> 00:02:06,459
IT IS AN HON TORE MEET YOU ALL.

31
00:02:06,459 --> 00:02:07,794
THIS IS AMAZING, WHAT AN

32
00:02:07,794 --> 00:02:08,795
EXPERIENCE.

33
00:02:08,795 --> 00:02:11,831
>> THANK YOU VERY MUCH FOR

34
00:02:11,831 --> 00:02:13,533
COMING OUT TO THE JOHNSON SPACE

35
00:02:13,533 --> 00:02:15,668
CENTER TODAY AND LOOKING AT SOME

36
00:02:15,668 --> 00:02:16,970
OF THE WORK WE ARE DOING FOR

37
00:02:16,970 --> 00:02:19,205
HUMAN SPACE EXPLORATION.

38
00:02:19,205 --> 00:02:25,545

ON THE ONLY HUMAN OUTPOST.

39

00:02:25,545 --> 00:02:33,620

NEXT TO ME IS ALEXANDER GERST.

40

00:02:33,620 --> 00:02:38,758

NEXT TO ME IS OLEG ARTEMYEV.

41

00:02:38,758 --> 00:02:44,297

BEHIND ME IS SERENA

42

00:02:44,297 --> 00:02:49,335

AUNON-CHANCELLOR.

43

00:02:49,335 --> 00:02:54,741

AS WELL AS SERGEI PROKOPYEV.

44

00:02:54,741 --> 00:02:55,942

AND THEN IN THE BACK WE HAVE

45

00:02:55,942 --> 00:02:57,744

RICKY ARNOLD, THE ASSISTANT TO

46

00:02:57,744 --> 00:02:59,679

THE COMMANDER WHO IS FLYING WITH

47

00:02:59,679 --> 00:03:01,080

US AND RETURNING HOME ON

48

00:03:01,080 --> 00:03:02,615

OCTOBER 4 AS WELL.

49

00:03:02,615 --> 00:03:06,019

>> AMAZING.

50

00:03:06,019 --> 00:03:06,753

OCTOBER 4.

51
00:03:06,753 --> 00:03:08,955
SO YOU ARE COMING HOME SOON, OR

52
00:03:08,955 --> 00:03:10,790
AT LEAST SOME OF YOU ARE.

53
00:03:10,790 --> 00:03:12,492
>> THREE OF US WILL BE COMING

54
00:03:12,492 --> 00:03:14,327
HOME IN JUST A FEW WEEKS.

55
00:03:14,327 --> 00:03:15,528
WE HAVE BEEN UP HERE FOR

56
00:03:15,528 --> 00:03:19,165
ABOUT -- BEEN UP HERE FOR 198

57
00:03:19,165 --> 00:03:19,566
DAYS.

58
00:03:19,566 --> 00:03:21,301
>> JUST INCREDIBLE.

59
00:03:21,301 --> 00:03:22,502
ONE OF THE REASONS WE ARE HERE

60
00:03:22,502 --> 00:03:24,704
IS TO SEE THE UNBELIEVABLE WORK

61
00:03:24,704 --> 00:03:26,239
THAT'S BEING DONE BY NASA AND

62
00:03:26,239 --> 00:03:29,375
THE WHOLE ORGANIZATION IN

63
00:03:29,375 --> 00:03:32,478

ADVANCEMENT OF OUR GOALS TOWARDS

64
00:03:32,478 --> 00:03:35,014
SPACE EXPLORATION AND ULTIMATELY

65
00:03:35,014 --> 00:03:37,016
THE PRESIDENT'S GOAL OF

66
00:03:37,016 --> 00:03:42,689
RETURNING HUMANS TO THE MOON.

67
00:03:42,689 --> 00:03:43,690
DO YOU HAVE ANYTHING YOU WANT TO

68
00:03:43,690 --> 00:03:45,725
SHARE WITH US AT THE

69
00:03:45,725 --> 00:03:46,926
INTERNATIONAL SPACE STATION AS

70
00:03:46,926 --> 00:03:48,661
ASTRONAUTS AND WE ARE TALKING TO

71
00:03:48,661 --> 00:03:50,363
SOME STUDENTS LATER WHO ARE

72
00:03:50,363 --> 00:03:53,099
INTERNS HERE AT THE JOHNSON

73
00:03:53,099 --> 00:03:54,534
SPACE CENTER.

74
00:03:54,534 --> 00:03:56,469
IF YOU HAVE ANY WORDS OF ADVICE

75
00:03:56,469 --> 00:03:59,405
YOU CAN RELAY TO THEM, THAT

76

00:03:59,405 --> 00:04:00,306

WOULD BE GREAT.

77

00:04:00,306 --> 00:04:03,076

>> OUR MESSAGE IS CONSISTENT.

78

00:04:03,076 --> 00:04:04,677

WE BELIEVE IN WHAT WE ARE DOING.

79

00:04:04,677 --> 00:04:06,279

WE BELIEVE IT'S IMPORTANT TO THE

80

00:04:06,279 --> 00:04:07,714

CONTINUATION OF THE HUMAN

81

00:04:07,714 --> 00:04:09,315

SPECIES AND THE SCIENCE WE ARE

82

00:04:09,315 --> 00:04:11,050

DOING IN SPACE, IT'S ALL

83

00:04:11,050 --> 00:04:13,353

DESIGNED TO MAKE LIFE BETTER ON

84

00:04:13,353 --> 00:04:16,089

EARTH AND ALLOW US TO BE BETTER

85

00:04:16,089 --> 00:04:17,991

AS PEOPLE AS WE TAKE CARE OF THE

86

00:04:17,991 --> 00:04:19,726

PLANET AND ALSO MOVE OUT INTO

87

00:04:19,726 --> 00:04:21,027

THE SOLAR SYSTEM.

88

00:04:21,027 --> 00:04:22,662

WE ALL BELIEVE WHAT WE DO IS

89

00:04:22,662 --> 00:04:24,564

GOING TO BE CRITICAL TO CARRYING

90

00:04:24,564 --> 00:04:27,300

ON THE LEGACY OF OUR SPECIES.

91

00:04:27,300 --> 00:04:29,002

WE HAVEN'T BEEN ON EARTH VERY

92

00:04:29,002 --> 00:04:32,138

LONG COMPARED TO HOW LONG EARTH

93

00:04:32,138 --> 00:04:33,573

HAS BEEN AROUND.

94

00:04:33,573 --> 00:04:35,375

WE HOPE TO CONTINUE THE AWESOME

95

00:04:35,375 --> 00:04:37,910

SCIENCE AND TO INSPIRE OF NOT

96

00:04:37,910 --> 00:04:39,512

ONLY OUR NATION, BUT NATIONS

97

00:04:39,512 --> 00:04:41,014

AROUND THE WORLD TO THINK ABOUT

98

00:04:41,014 --> 00:04:42,749

THE THINGS THAT THEY CAN DO TO

99

00:04:42,749 --> 00:04:44,951

CONTRIBUTE TO HUMANITY AND

100

00:04:44,951 --> 00:04:46,285

SCIENCE AND TECHNOLOGY AND

101
00:04:46,285 --> 00:04:48,821
ADVANCING OUR EXISTENCE OUT INTO

102
00:04:48,821 --> 00:04:50,123
THE SOLAR SYSTEM.

103
00:04:50,123 --> 00:04:51,024
THANKS FOR YOUR INTEREST AND

104
00:04:51,024 --> 00:04:51,724
SUPPORT.

105
00:04:51,724 --> 00:04:53,059
WE CERTAINLY APPRECIATE IT AND

106
00:04:53,059 --> 00:04:55,194
HOPE YOU ENJOY YOUR TIME

107
00:04:55,194 --> 00:04:56,729
LEARNING ABOUT WHAT WE DO FOR

108
00:04:56,729 --> 00:04:58,831
SPACE EXPLORATION AND HUMANS IN

109
00:04:58,831 --> 00:04:59,265
SPACE.

110
00:04:59,265 --> 00:05:00,767
>> WELL, THANK YOU.

111
00:05:00,767 --> 00:05:02,468
JUST KNOW YOU CAN'T LIMIT IT TO

112
00:05:02,468 --> 00:05:03,069
YOUTH.

113
00:05:03,069 --> 00:05:05,605

I THINK I CAN SPEAK FOR ALL OF

114

00:05:05,605 --> 00:05:08,141

US HERE, YOU INSPIRE US ALL.

115

00:05:08,141 --> 00:05:09,742

YOU HAVE MY DREAM JOB.

116

00:05:09,742 --> 00:05:12,078

I ALWAYS WANTED TO BE AN

117

00:05:12,078 --> 00:05:13,680

ASTRONAUT AND I ALWAYS WANT TO

118

00:05:13,680 --> 00:05:17,617

GO TO SPACE.

119

00:05:17,617 --> 00:05:19,919

YOU ARE FULFILLING MY DREAM.

120

00:05:19,919 --> 00:05:22,055

I GUESS NEVER SAY NEVER, RIGHT,

121

00:05:22,055 --> 00:05:25,191

ADMINISTRATOR?

122

00:05:25,191 --> 00:05:28,795

>> THANK YOU BOTH FOR JOINING

123

00:05:28,795 --> 00:05:29,495

US.

124

00:05:29,495 --> 00:05:30,530

WE HOPE THAT YOU ARE PROUD OF

125

00:05:30,530 --> 00:05:31,831

THE WORK WE ARE DOING AND WE ARE

126

00:05:31,831 --> 00:05:34,367

TRYING TO CARRY ON A LEGACY

127

00:05:34,367 --> 00:05:36,069

THAT'S BEEN GOING ON UP HERE FOR

128

00:05:36,069 --> 00:05:38,104

THE LAST 18 YEARS.

129

00:05:38,104 --> 00:05:38,738

THE INTERNATIONAL SPACE STATION

130

00:05:38,738 --> 00:05:41,307

IS A FANTASTIC LABORATORY AND

131

00:05:41,307 --> 00:05:44,343

IT'S A FANTASTIC INTERNATIONAL

132

00:05:44,343 --> 00:05:46,679

COLLABORATION BETWEEN OUR

133

00:05:46,679 --> 00:05:48,614

PARTNERS, AND THE RUSSIANS THAT

134

00:05:48,614 --> 00:05:50,416

MAKE THIS HAPPEN FOR US AND

135

00:05:50,416 --> 00:05:52,518

ALLOW US TO HAVE ACCESS TO

136

00:05:52,518 --> 00:05:53,352

SPACE.

137

00:05:53,352 --> 00:05:54,587

WE LOOK FORWARD TO CONTINUED

138

00:05:54,587 --> 00:05:55,788

OPERATIONS TOGETHER

139

00:05:55,788 --> 00:05:56,522

INTERNATIONALLY AND

140

00:05:56,522 --> 00:05:58,658

COOPERATIVELY AND WE HOPE THIS

141

00:05:58,658 --> 00:06:01,961

SERVES AS A GREAT MODEL TO

142

00:06:01,961 --> 00:06:03,496

CONTINUE OUT THE EXPLORATION.

143

00:06:03,496 --> 00:06:05,398

>> THANK YOU SO MUCH.

144

00:06:05,398 --> 00:06:06,132

THANK YOU ALL.

145

00:06:06,132 --> 00:06:08,735

FOR THOSE OF YOU COMING BACK TO

146

00:06:08,735 --> 00:06:13,973

EARTH, WE'LL WELCOME YOU BACK TO

147

00:06:13,973 --> 00:06:15,074

EARTH.

148

00:06:15,074 --> 00:06:16,275

AND TO THE REST OF YOU, THANK

149

00:06:16,275 --> 00:06:17,710

YOU FOR ALL YOU ARE DOING.

150

00:06:17,710 --> 00:06:23,149

>> WOULD IT BE ABLE TO SHARE HOW

151
00:06:23,149 --> 00:06:28,287
OFTEN YOU SPEAK TO STUDENTS ON

152
00:06:28,287 --> 00:06:29,689
EARTH?

153
00:06:29,689 --> 00:06:34,961
I KNOW IVANKA IS FOCUSED ON

154
00:06:34,961 --> 00:06:36,262
STEM.

155
00:06:36,262 --> 00:06:38,197
>> GOOD AFTERNOON.

156
00:06:38,197 --> 00:06:43,636
WE ACTUALLY TALK TO STUDENTS.

157
00:06:43,636 --> 00:06:45,638
WE HAVE A TRADITIONAL RADIO,

158
00:06:45,638 --> 00:06:48,274
AMATEUR HAND PASSES WE HAVE

159
00:06:48,274 --> 00:06:50,510
ABOUT ONCE OR TWICE A WEEK.

160
00:06:50,510 --> 00:06:52,311
WE TALK TO SCHOOLS ALL OVER THE

161
00:06:52,311 --> 00:06:55,648
PLANET AND EVENTS THROUGH NASA,

162
00:06:55,648 --> 00:06:57,150
LIKE THE ONE WE HAVE HERE.

163
00:06:57,150 --> 00:06:59,285

THAT'S THE ONES THAT, WELL, WE

164

00:06:59,285 --> 00:07:01,287
ARE MOST EXCITED ABOUT.

165

00:07:01,287 --> 00:07:03,923
I THINK ALL OF US UP HERE AND

166

00:07:03,923 --> 00:07:06,125
DOWN THERE IN THE CONTROL ROOM,

167

00:07:06,125 --> 00:07:07,960
WE STILL HAVE THAT LITTLE CHILD

168

00:07:07,960 --> 00:07:08,961
IN US.

169

00:07:08,961 --> 00:07:10,096
WHEN WE HAVE THE CHANCE TO TALK

170

00:07:10,096 --> 00:07:12,098
TO CHILDREN AND TELL THEM ABOUT

171

00:07:12,098 --> 00:07:14,734
HOW IT IS TO WORK UP HERE IN

172

00:07:14,734 --> 00:07:16,936
THIS UNIQUE LABORATORY THAT

173

00:07:16,936 --> 00:07:19,872
FULFILLS OUR HEARTS AS WELL.

174

00:07:19,872 --> 00:07:20,873
IT'S ALWAYS SOMETHING THAT I

175

00:07:20,873 --> 00:07:22,909
REMIND MYSELF EVERY DAY WHEN I

176
00:07:22,909 --> 00:07:25,244
FLOAT AROUND, THE FLOATING GETS

177
00:07:25,244 --> 00:07:27,146
LIKE AN EVERYDAY THING THAT WE

178
00:07:27,146 --> 00:07:28,447
GET USED TO.

179
00:07:28,447 --> 00:07:29,949
BUT WE HAVE TO REMIND OURSELVES

180
00:07:29,949 --> 00:07:31,984
WHAT WE ARE DOING UP HERE, THIS

181
00:07:31,984 --> 00:07:33,886
LABORATORY IS UNIQUE.

182
00:07:33,886 --> 00:07:40,560
WE HAVE WEIGHTLESSNESS FOR JUST

183
00:07:40,560 --> 00:07:43,095
A FEW SECONDS ON EARTH.

184
00:07:43,095 --> 00:07:45,431
THAT'S ONLY POSSIBLE HERE ON THE

185
00:07:45,431 --> 00:07:46,332
INTERNATIONAL SPACE STATION.

186
00:07:46,332 --> 00:07:50,570
NO LABORATORY ON THE PLANET IT

187
00:07:50,570 --> 00:07:52,471
RECREATE THE CONDITIONS WE HAVE

188
00:07:52,471 --> 00:07:53,072

HERE.

189

00:07:53,072 --> 00:07:54,307

THAT'S WHY WE HAVE A WIDE AREA

190

00:07:54,307 --> 00:07:58,778

OF SCIENCE AREAS THAT WE FOLLOW,

191

00:07:58,778 --> 00:08:00,379

LIKE THE FIELD OF SCIENCE AND

192

00:08:00,379 --> 00:08:02,215

BRING HOME RESULTS.

193

00:08:02,215 --> 00:08:04,116

EVERY SINGLE AREA BENEFITS FROM

194

00:08:04,116 --> 00:08:05,551

THIS LABORATORY.

195

00:08:05,551 --> 00:08:07,453

THIS IS SO AMAZING.

196

00:08:07,453 --> 00:08:09,488

FOR US IT'S A PRIVILEGE TO BE UP

197

00:08:09,488 --> 00:08:10,890

HERE.

198

00:08:10,890 --> 00:08:12,725

>> LET ME ASK YOU, WHAT IS THE

199

00:08:12,725 --> 00:08:14,527

MOST CHALLENGING PART OF LIVING

200

00:08:14,527 --> 00:08:16,562

AND WORKING IN SPACE AND WHAT IS

201
00:08:16,562 --> 00:08:18,664
THE MOST REWARDING AND VALUABLE

202
00:08:18,664 --> 00:08:20,499
PART OF LIVING AND WORKING IN

203
00:08:20,499 --> 00:08:22,802
SPACE?

204
00:08:22,802 --> 00:08:26,739
>> GOOD AFTERNOON DOWN THERE.

205
00:08:26,739 --> 00:08:28,140
I WILL START WITH THE LATTER

206
00:08:28,140 --> 00:08:29,075
HALF OF THAT.

207
00:08:29,075 --> 00:08:30,676
THE MOST REWARDING WORK WE HAVE

208
00:08:30,676 --> 00:08:33,613
DONE IS WORK THAT IMPACTS FOLKS

209
00:08:33,613 --> 00:08:34,714
ON THE GROUND.

210
00:08:34,714 --> 00:08:35,748
SOMETIMES PEOPLE ASK WHY SHOULD

211
00:08:35,748 --> 00:08:37,250
I CARE ABOUT THE SCIENCE BEING

212
00:08:37,250 --> 00:08:37,950
DONE ON INTERNATIONAL SPACE

213
00:08:37,950 --> 00:08:40,987

STATION, HOW DOES IT IMPACT ME.

214

00:08:40,987 --> 00:08:42,521

FOR EXAMPLE, A MONTH OR SO AGO

215

00:08:42,521 --> 00:08:44,624

WE WERE DOING CANCER THERAPY

216

00:08:44,624 --> 00:08:45,558

RESEARCH.

217

00:08:45,558 --> 00:08:47,660

WE FIGURED OUT THAT CELLS IN THE

218

00:08:47,660 --> 00:08:49,862

BODY REALLY LIKE TO GROW.

219

00:08:49,862 --> 00:08:51,898

THEY GROW IN SPACE JUST LIKE

220

00:08:51,898 --> 00:08:53,833

THEY DO IN THE BODY.

221

00:08:53,833 --> 00:08:55,768

THAT ALLOWED RESEARCHERS TO LOOK

222

00:08:55,768 --> 00:08:57,603

AT DIFFERENT TREATMENTS.

223

00:08:57,603 --> 00:08:59,505

THAT'S SO, SO REWARDING.

224

00:08:59,505 --> 00:09:00,606

I THINK ONE OF THE MOST

225

00:09:00,606 --> 00:09:02,541

CHALLENGING THINGS, I CAN'T

226

00:09:02,541 --> 00:09:05,678

SPEAK FOR THE ENTIRE CREW, BEING

227

00:09:05,678 --> 00:09:08,581

AWAY WITH OUR FAMILIES.

228

00:09:08,581 --> 00:09:11,517

WE ARE IN CONSTANT CONTACT, WE

229

00:09:11,517 --> 00:09:13,419

HAVE PICTURES.

230

00:09:13,419 --> 00:09:15,254

BUT IT'S STILL DIFFICULT.

231

00:09:15,254 --> 00:09:16,889

THEY LOVE US AND SUPPORT US.

232

00:09:16,889 --> 00:09:18,190

BUT FOR ME, THAT'S ONE OF THE

233

00:09:18,190 --> 00:09:21,527

MOST DIFFICULT PARTS.

234

00:09:21,527 --> 00:09:30,102

>> HIS BRIAN, THE CONGRESSMAN

235

00:09:30,102 --> 00:09:32,638

THAT REPRESENTS JSC.

236

00:09:32,638 --> 00:09:33,940

WE ARE SO PROUD OF EVERY ONE OF

237

00:09:33,940 --> 00:09:36,642

YOU GUYS AND LADIES.

238

00:09:36,642 --> 00:09:37,977

WE APPRECIATE WHAT YOU ARE DOING

239

00:09:37,977 --> 00:09:39,478

UP THERE.

240

00:09:39,478 --> 00:09:41,080

JUST LISTENING TO YOU TALKING

241

00:09:41,080 --> 00:09:45,551

ABOUT THE ABSOLUTE FACT THAT THE

242

00:09:45,551 --> 00:09:47,053

INTERNATIONAL SPACE STATION IS A

243

00:09:47,053 --> 00:09:49,288

GIANT LABORATORY THAT'S BEEN UP

244

00:09:49,288 --> 00:09:51,724

THERE FOR NEARLY 18 YEARS.

245

00:09:51,724 --> 00:09:52,925

IT JUST POINTS UP TO THE FACT

246

00:09:52,925 --> 00:09:54,860

THAT I'M ALSO A DENTIST, A

247

00:09:54,860 --> 00:09:56,395

HEALTHCARE PROVIDER, I HOPE YOU

248

00:09:56,395 --> 00:09:59,699

ARE ALL BRUSHING YOUR TEETH AND

249

00:09:59,699 --> 00:10:01,634

TAKING CARE OF YOUR ORAL

250

00:10:01,634 --> 00:10:02,935

CAVITIES.

251
00:10:02,935 --> 00:10:05,871
IT ALSO MEANS THAT WE HAVE A LOT

252
00:10:05,871 --> 00:10:08,007
MORE TO LEARN ABOUT WHAT'S

253
00:10:08,007 --> 00:10:10,009
HAPPENING TO THE HUMAN BODY WHEN

254
00:10:10,009 --> 00:10:12,345
YOU ARE UP IN A WEIGHTLESS

255
00:10:12,345 --> 00:10:14,046
ENVIRONMENT LIKE YOU ARE IN

256
00:10:14,046 --> 00:10:15,982
TERMS OF MAYBE GOING ON TO THE

257
00:10:15,982 --> 00:10:18,784
MOON AND EVEN ON FARTHER TO

258
00:10:18,784 --> 00:10:20,119
MARS.

259
00:10:20,119 --> 00:10:22,321
WE GOT TO KNOW THESE ANSWERS.

260
00:10:22,321 --> 00:10:23,723
I WANT TO SAY THANK YOU FOR WHAT

261
00:10:23,723 --> 00:10:24,857
YOU ARE DOING.

262
00:10:24,857 --> 00:10:26,659
AND WELCOME HOME THOSE OF YOU

263
00:10:26,659 --> 00:10:28,694

THAT ARE ABOUT TO COME BACK.

264

00:10:28,694 --> 00:10:29,595

GOD BLESS.

265

00:10:29,595 --> 00:10:39,572

>> I JUST WANT TO THANK

266

00:10:39,572 --> 00:10:41,574

EVERYBODY FOR PARTICIPATING.

267

00:10:41,574 --> 00:10:44,110

IT'S NOT EVERY DAY WE HAVE

268

00:10:44,110 --> 00:10:45,211

IVANKA TRUMP AND THE CHAIRMAN OF

269

00:10:45,211 --> 00:10:47,546

THE SPACE SUBCOMMITTEE AND

270

00:10:47,546 --> 00:10:48,748

CHAIRMAN OF THE SPACE

271

00:10:48,748 --> 00:10:52,084

SUBCOMMITTEE IN THE HOUSE TO

272

00:10:52,084 --> 00:10:53,719

TALK TO OUR ASTRONAUTS.

273

00:10:53,719 --> 00:10:55,354

THANK YOU FOR PARTICIPATING IN

274

00:10:55,354 --> 00:10:56,589

THIS.

275

00:10:56,589 --> 00:11:00,993

>> THANK YOU.

276

00:11:00,993 --> 00:11:05,031

I WOULD BE REMISS IF I DIDN'T

277

00:11:05,031 --> 00:11:07,767

ALLOW MY RUSSIAN COUNTERPARTS TO

278

00:11:07,767 --> 00:11:09,268

SAY SOMETHING AS WELL.

279

00:11:09,268 --> 00:11:15,608

>> IVANKA, I THINK YOU ARE A

280

00:11:15,608 --> 00:11:16,542

NICE PERSON.

281

00:11:16,542 --> 00:11:21,180

WHEN I SEE YOU ON THE NEWS, MY

282

00:11:21,180 --> 00:11:24,083

MOOD IMPROVES AND RISES.

283

00:11:24,083 --> 00:11:25,918

>> WELL, THAT'S VERY KIND OF YOU

284

00:11:25,918 --> 00:11:27,019

TO SAY.

285

00:11:27,019 --> 00:11:31,557

THANK YOU VERY MUCH.

286

00:11:31,557 --> 00:11:33,159

[LAUGHTER]

287

00:11:33,159 --> 00:11:34,794

THANK YOU ALL.

288

00:11:34,794 --> 00:11:48,007

>> I'M SURE YOU FOLKS ARE BUSY

289

00:11:48,007 --> 00:11:48,808
DOWN THERE.

290

00:11:48,808 --> 00:11:50,309
WE ALWAYS APPRECIATE THE SUPPORT

291

00:11:50,309 --> 00:11:52,244
AND, AGAIN, I CAN'T STRESS

292

00:11:52,244 --> 00:11:53,746
ENOUGH THAT WE ALL BELIEVE IN

293

00:11:53,746 --> 00:11:55,281
WHAT WE ARE DOING HERE.

294

00:11:55,281 --> 00:11:59,051
IT'S CRITICAL TO US AS HUMANS.

295

00:11:59,051 --> 00:12:00,953
BEING IN SPACE AND LOOKING DOWN

296

00:12:00,953 --> 00:12:02,254
ON THE EARTH CHANGES OUR

297

00:12:02,254 --> 00:12:03,889
PERSPECTIVE.

298

00:12:03,889 --> 00:12:05,391
WE DON'T SEE BORDERS AND

299

00:12:05,391 --> 00:12:06,892
BOUNDARIES.

300

00:12:06,892 --> 00:12:08,327
I WISH WHEN HE AN OPPORTUNITY TO

301
00:12:08,327 --> 00:12:10,262
SHARE THIS VIEW WITH MORE PEOPLE

302
00:12:10,262 --> 00:12:13,766
ON A FIRST BASIS SO THEY HAD AN

303
00:12:13,766 --> 00:12:14,900
UNDERSTANDING OF THE FACT THAT

304
00:12:14,900 --> 00:12:17,303
THAT PLANET THAT WE SEE IS OUR

305
00:12:17,303 --> 00:12:18,404
ONLY HOME.

306
00:12:18,404 --> 00:12:21,440
THERE'S NO WAL-MART NEARBY, NO

307
00:12:21,440 --> 00:12:24,577
HOME DEPOT, NO McDONALD'S TO

308
00:12:24,577 --> 00:12:26,579
GET SOMETHING WE NEED.

309
00:12:26,579 --> 00:12:28,013
THAT'S OUR PLANET AND THAT'S OUR

310
00:12:28,013 --> 00:12:28,814
HOME.

311
00:12:28,814 --> 00:12:30,216
WE NEED TO BE DILIGENT ABOUT

312
00:12:30,216 --> 00:12:31,617
TAKING CARE OF IT AND THINKING

313
00:12:31,617 --> 00:12:34,453

ABOUT THE WAY WE MOVE FORWARD.

314

00:12:34,453 --> 00:12:35,554

WE DON'T NEED TO USE THE

315

00:12:35,554 --> 00:12:38,090

RESOURCES WE HAVE, WE NEED TO BE

316

00:12:38,090 --> 00:12:39,925

CARING AND THINK ABOUT THE WAYS

317

00:12:39,925 --> 00:12:41,727

WE ARE GOING TO DO THIS AS WE

318

00:12:41,727 --> 00:12:43,929

MOVE ON TO OTHER PLANETS AND

319

00:12:43,929 --> 00:12:44,730

EXPLORE.

320

00:12:44,730 --> 00:12:46,165

THANK YOU ALL FOR YOUR SUPPORT,

321

00:12:46,165 --> 00:12:47,666

YOUR GENEROUS SUPPORT AND

322

00:12:47,666 --> 00:12:49,268

ALLOWING US TO CONTINUE TO DO

323

00:12:49,268 --> 00:12:51,504

THIS AMAZING WORK IN SPACE.

324

00:12:51,504 --> 00:13:07,686

>> AMAZING.

325

00:13:07,686 --> 00:13:14,126

[INDISCERNIBLE]

326

00:13:14,126 --> 00:13:21,901

>> THANK YOU.

327

00:13:21,901 --> 00:13:23,802

[INDISCERNIBLE]

328

00:13:23,802 --> 00:13:25,938

>> OH, I LOVE IT.

329

00:13:25,938 --> 00:13:31,977

THANK YOU.

330

00:13:31,977 --> 00:14:05,477

[INDISCERNIBLE]

331

00:14:05,477 --> 00:14:07,513

>> SO WE ARE ACTUALLY GOING TO

332

00:14:07,513 --> 00:14:10,216

DO A GROUP PHOTO HERE.

333

00:14:10,216 --> 00:14:13,552

>> YOU AND ME HERE.

334

00:14:13,552 --> 00:14:15,888

>> THE ENTIRE STAFF IS HERE.

335

00:14:15,888 --> 00:14:22,928

>> ALL YOU GUYS.

336

00:14:22,928 --> 00:14:30,302

[INDISCERNIBLE]

337

00:14:30,302 --> 00:14:33,305

>> EVERYONE COULD GATHER.

338

00:14:33,305 --> 00:14:36,542

>> VERY COOL.

339

00:14:36,542 --> 00:14:42,781

>> MANAGE ALL FROM HERE, WE

340

00:14:42,781 --> 00:14:50,356

TRAIN THE CREW [INDISCERNIBLE].

341

00:14:50,356 --> 00:14:52,891

>> OKAY.

342

00:14:52,891 --> 00:14:54,727

WE ARE SHOOTING THAT WAY.

343

00:14:54,727 --> 00:15:15,080

>> WE WANT THE CREW.

344

00:15:15,080 --> 00:16:09,234

>> THANK YOU ALL SO MUCH.

345

00:16:09,234 --> 00:16:10,669

THANKS FOR EVERYTHING YOU DO.

346

00:16:10,669 --> 00:16:12,971

KEEP THEM ALL SAFE.

347

00:16:12,971 --> 00:16:15,207

>> THANK YOU, GUYS.

348

00:16:15,207 --> 00:16:16,408

>> THANK YOU.

349

00:16:16,408 --> 00:16:26,085

>> SOCIAL MEDIA.

350

00:16:26,085 --> 00:16:29,221

>> NOW OLEG IS IN TROUBLE.

351

00:16:29,221 --> 00:16:33,859

>> GOING TO ASK FOR MISSION

352

00:16:33,859 --> 00:16:35,194

CONTROL WHAT'S GOING ON HERE,

353

00:16:35,194 --> 00:16:36,495

YOU ARE GOING TO ANSWER.

354

00:16:36,495 --> 00:16:38,797

A FEW SEPARATE VIDEO CLIPS.

355

00:16:38,797 --> 00:16:43,869

THE FIRST ONE WILL BE IVANKA.

356

00:16:43,869 --> 00:16:54,046

>> WHERE ARE WE LOOKING?

357

00:16:54,046 --> 00:17:02,221

>> WOULD YOU LIKE A HEADSET?

358

00:17:02,221 --> 00:17:03,522

>> YEAH, SURE.
