

1  
00:00:19,920 --> 00:00:13,190  
this is mars yes

2  
00:00:45,590 --> 00:00:27,190  
[Music]

3  
00:00:48,069 --> 00:00:45,600  
the things that you leave behind

4  
00:00:50,069 --> 00:00:48,079  
the ones that really matter

5  
00:00:51,110 --> 00:00:50,079  
they find a way back to you

6  
00:00:53,029 --> 00:00:51,120  
but

7  
00:00:55,189 --> 00:00:53,039  
not how you think

8  
00:00:57,270 --> 00:00:55,199  
than i thought i knew

9  
00:00:59,029 --> 00:00:57,280  
since i was three years old i thought i

10  
00:01:02,790 --> 00:00:59,039  
knew what was going to be the greatest

11  
00:01:08,789 --> 00:01:06,230  
when i was seven i built myself a rocket

12  
00:01:13,590 --> 00:01:08,799  
strapped it to my back lit it up and

13  
00:01:16,310 --> 00:01:13,600

like the sun it never ran out of fuel

14

00:01:18,230 --> 00:01:16,320

i built my dreams on the foundations

15

00:01:20,390 --> 00:01:18,240

laid by the brave

16

00:01:22,310 --> 00:01:20,400

the unconventional

17

00:01:24,070 --> 00:01:22,320

the ones that reached and touched the

18

00:01:27,190 --> 00:01:24,080

stars

19

00:01:30,710 --> 00:01:27,200

i studied the lives of the world makers

20

00:01:32,950 --> 00:01:30,720

i read the books that shaped society

21

00:01:36,550 --> 00:01:32,960

and mastered the principles that keep in

22

00:01:39,190 --> 00:01:36,560

balance the universal chaos

23

00:01:41,510 --> 00:01:39,200

i pushed my body to reach and share the

24

00:01:43,030 --> 00:01:41,520

company of the fastest

25

00:01:47,030 --> 00:01:43,040

the strongest

26

00:01:48,950 --> 00:01:47,040

the ones that know no defeat

27

00:01:50,870 --> 00:01:48,960

and i did all of that

28

00:01:53,350 --> 00:01:50,880

knowing that one day

29

00:01:55,749 --> 00:01:53,360

all of this will become the foundations

30

00:01:57,670 --> 00:01:55,759

of anew

31

00:01:59,510 --> 00:01:57,680

and i did all of that

32

00:02:01,990 --> 00:01:59,520

knowing that one day

33

00:02:06,069 --> 00:02:02,000

i would have to say one last goodbye to

34

00:02:06,079 --> 00:02:10,550

but i was unstoppable

35

00:02:24,390 --> 00:02:12,550

and one day

36

00:02:29,830 --> 00:02:27,589

i had imagined myself so many

37

00:02:32,150 --> 00:02:29,840

so many times

38

00:02:35,990 --> 00:02:32,160

i would look out the window and see what

39

00:02:38,790 --> 00:02:36,000

no one else has ever seen

40

00:02:41,190 --> 00:02:38,800

every moment of my life

41

00:02:44,070 --> 00:02:41,200

would be like no other in the history of

42

00:02:48,309 --> 00:02:46,150

i embraced the endless day of the

43

00:02:50,710 --> 00:02:48,319

journey ahead

44

00:02:54,550 --> 00:02:50,720

i remembered the stories of the heroes

45

00:02:57,589 --> 00:02:54,560

that gazed at earth from among the stars

46

00:02:59,030 --> 00:02:57,599

and the lessons they learned

47

00:03:01,990 --> 00:02:59,040

and i wondered

48

00:03:03,270 --> 00:03:02,000

how would our lives be there

49

00:03:06,869 --> 00:03:03,280

on that

50

00:03:10,070 --> 00:03:06,879

the fourth planet from the sun

51  
00:03:19,170 --> 00:03:13,310  
my new home

52  
00:03:38,550 --> 00:03:34,990  
[Music]

53  
00:03:40,149 --> 00:03:38,560  
i thought i knew

54  
00:03:41,589 --> 00:03:40,159  
and now

55  
00:03:44,630 --> 00:03:41,599  
i know

56  
00:03:46,630 --> 00:03:44,640  
the greatest adventure of my life

57  
00:03:49,190 --> 00:03:46,640  
started the day

58  
00:03:50,390 --> 00:03:49,200  
that the things i left behind came back

59  
00:03:53,429 --> 00:03:50,400  
to me

60  
00:03:54,550 --> 00:03:53,439  
you see i have a new rocket attached to

61  
00:03:59,509 --> 00:03:54,560  
me

62  
00:04:03,589 --> 00:03:59,519  
one with the power that reaches beyond

63  
00:04:05,670 --> 00:04:03,599

me and embraces the entire planet

64

00:04:06,710 --> 00:04:05,680

when i held you in my arms for the first

65

00:04:09,110 --> 00:04:06,720

time

66

00:04:10,630 --> 00:04:09,120

i felt the guilt for the things you'll

67

00:04:11,910 --> 00:04:10,640

never get to see

68

00:04:13,190 --> 00:04:11,920

or feel

69

00:04:16,390 --> 00:04:13,200

the rain

70

00:04:18,190 --> 00:04:16,400

the mountain breeze the ocean missed a

71

00:04:19,749 --> 00:04:18,200

swim in the ocean

72

00:04:22,150 --> 00:04:19,759

[Music]

73

00:04:24,550 --> 00:04:22,160

but then the guilt went away

74

00:04:27,110 --> 00:04:24,560

because throughout your life

75

00:04:28,629 --> 00:04:27,120

the trails you'll walk will be the ones

76

00:04:30,950 --> 00:04:28,639

you'll make

77

00:04:33,350 --> 00:04:30,960

the caves you'll explore

78

00:04:36,629 --> 00:04:33,360

will be the ones you'll find

79

00:04:39,590 --> 00:04:36,639

you will get to see to climb the highest

80

00:04:42,150 --> 00:04:39,600

mountains in the whole solar system

81

00:04:44,950 --> 00:04:42,160

and you will be the first to experience

82

00:04:45,670 --> 00:04:44,960

all the unknown wonders that lie before

83

00:04:46,790 --> 00:04:45,680

us

84

00:04:49,189 --> 00:04:46,800

you

85

00:04:51,430 --> 00:04:49,199

will be unstoppable

86

00:04:56,760 --> 00:04:51,440

you
