

1  
00:00:13,210 --> 00:00:12,150  
[Music]

2  
00:00:21,029 --> 00:00:13,220  
do

3  
00:00:24,710 --> 00:00:23,750  
hi it's mom

4  
00:00:47,430 --> 00:00:24,720  
i

5  
00:00:52,069 --> 00:00:47,440  
a long

6  
00:00:57,500 --> 00:00:53,590  
that's how long we've been working on

7  
00:01:01,750 --> 00:00:59,110  
[Music]

8  
00:01:04,549 --> 00:01:01,760  
i confess that i haven't been this

9  
00:01:06,550 --> 00:01:04,559  
nervous or excited

10  
00:01:13,500 --> 00:01:06,560  
or this helpless

11  
00:01:30,630 --> 00:01:26,340  
[Music]

12  
00:01:35,030 --> 00:01:33,109  
i'm supposed to let you go

13  
00:01:38,469 --> 00:01:35,040

but after building your nursery and your

14

00:01:41,670 --> 00:01:38,479

spaceship my part is done while you

15

00:01:45,109 --> 00:01:41,680

you travel so alone

16

00:01:48,469 --> 00:01:45,119

[Music]

17

00:01:50,069 --> 00:01:48,479

it was hard balancing work and life

18

00:01:52,230 --> 00:01:50,079

they

19

00:01:55,670 --> 00:01:52,240

well you

20

00:01:57,749 --> 00:01:55,680

became so tangled up in the end

21

00:02:00,069 --> 00:01:57,759

i mean how wouldn't they when every

22

00:02:01,670 --> 00:02:00,079

moment i spent away from you working at

23

00:02:03,590 --> 00:02:01,680

the lab was

24

00:02:06,709 --> 00:02:03,600

a moment spent helping to fulfill your

25

00:02:08,949 --> 00:02:06,719

dream preparing for your most important

26  
00:02:10,189 --> 00:02:08,959  
journey doing everything i could to make

27  
00:02:12,550 --> 00:02:10,199  
sure you would be safe

28  
00:02:15,750 --> 00:02:12,560  
[Music]

29  
00:02:20,250 --> 00:02:15,760  
but also helping you travel so

30  
00:02:20,260 --> 00:03:06,790  
[Music]

31  
00:03:11,570 --> 00:03:08,949  
i was so scared when you were born and

32  
00:03:12,790 --> 00:03:11,580  
all i heard was silence

33  
00:03:16,309 --> 00:03:12,800  
[Music]

34  
00:03:21,670 --> 00:03:16,319  
but when you started crying

35  
00:03:30,229 --> 00:03:23,910  
how did you travel so far away from me

36  
00:03:32,900 --> 00:03:31,750  
i'm scared now

37  
00:03:35,350 --> 00:03:32,910  
in this silence

38  
00:03:36,309 --> 00:03:35,360

[Music]

39

00:03:40,149 --> 00:03:36,319

but

40

00:03:45,330 --> 00:03:43,670

just waiting to hear your first sound
