[Music]

2  
00:00:38,869 --> 00:00:35,440

is it okay for me to go grab some tea

3  
00:00:40,790 --> 00:00:38,879

[Music]

4  
00:00:43,510 --> 00:00:40,800

we all have dreams

5  
00:00:45,190 --> 00:00:43,520

some dreams take more than a lifetime

6  
00:00:47,850 --> 00:00:45,200

others were lucky enough that they

7  
00:00:55,189 --> 00:00:47,860

happen in our lifetime

8  
00:01:01,110 --> 00:00:58,549

when i was a child i was adventurous

9  
00:01:02,869 --> 00:01:01,120

i wonder about the world and everything

10  
00:01:04,630 --> 00:01:02,879

in it

11  
00:01:06,630 --> 00:01:04,640

it was pretty mischievous i got into

12  
00:01:08,149 --> 00:01:06,640

trouble a lot and

13  
00:01:10,070 --> 00:01:08,159

when i wanted to do something i would

14

00:01:11,990 --> 00:01:10,080

just go ahead and do it even if it made

15

00:01:13,429 --> 00:01:12,000

my parents pretty angry they sent me to

16

00:01:15,270 --> 00:01:13,439

my room

17

00:01:24,490 --> 00:01:15,280

but when i was alone

18

00:01:24,500 --> 00:01:29,109

[Music]

19

00:01:33,670 --> 00:01:31,510

when i was first chosen for the program

20

00:01:36,789 --> 00:01:33,680

i was so excited

21

00:01:38,469 --> 00:01:36,799

but terrified

22

00:01:43,429 --> 00:01:38,479

the training was rigorous but it

23

00:01:50,069 --> 00:01:46,870

p minus one minute engine start box go

24

00:01:51,910 --> 00:01:50,079

rock report range status range screen

25

00:01:55,109 --> 00:01:51,920

so you're sitting there on the tarmac

26  
00:01:58,709 --> 00:01:55,119  
strapped in ready to go and you realize

27  
00:02:02,890 --> 00:01:58,719  
that you were meant for that moment one

28  
00:02:02,900 --> 00:02:11,589  
[Music]

29  
00:02:16,229 --> 00:02:14,070  
nine long months

30  
00:02:17,990 --> 00:02:16,239  
we were in there for nine months

31  
00:02:19,589 --> 00:02:18,000  
it's not like a long car ride where you

32  
00:02:21,750 --> 00:02:19,599  
can look out the window and watch things

33  
00:02:23,670 --> 00:02:21,760  
go by

34  
00:02:26,550 --> 00:02:23,680  
i knew that we were traveling thousands

35  
00:02:32,790 --> 00:02:26,560  
of kilometers per hour but somehow i

36  
00:02:32,800 --> 00:02:47,350  
50 seconds

37  
00:02:50,710 --> 00:02:49,670  
when stepping out on mars for the first

38  
00:02:53,509 --> 00:02:50,720

time

39

00:02:59,030 --> 00:02:53,519

i knew that this was one of humankind's

40

00:03:04,060 --> 00:03:01,589

and what that will eventually bring

41

00:03:05,350 --> 00:03:04,070

is unknown

42

00:03:07,830 --> 00:03:05,360

[Music]

43

00:03:14,170 --> 00:03:07,840

a part of the mystery and the joy of

44

00:03:14,180 --> 00:03:24,070

[Music]

45

00:03:28,630 --> 00:03:26,789

i'm great how are you i i can't talk
