

1
00:00:24,880 --> 00:00:18,359
okay all pack humanity is on the verge

2
00:00:33,110 --> 00:00:29,370
[Music]

3
00:00:39,410 --> 00:00:33,120
but before we can return to the moon

4
00:00:39,420 --> 00:00:44,510
the world's beyond

5
00:00:44,520 --> 00:00:50,290
nothing almost left out to take

6
00:00:55,760 --> 00:00:53,360
what if I don't like to ban you will

7
00:00:58,250 --> 00:00:55,770
it's amazing it's like nothing you've

8
00:01:01,000 --> 00:00:58,260
seen before what if it's dangerous don't

9
00:01:02,569 --> 00:01:01,010
worry we'll be safe and it takes so long

10
00:01:06,830 --> 00:01:02,579
just three months

11
00:01:09,050 --> 00:01:06,840
it used to be nine you know what who

12
00:01:11,150 --> 00:01:09,060
keeps breathe there people can breathe

13
00:01:13,790 --> 00:01:11,160

me right there are no people and they'll

14

00:01:15,380 --> 00:01:13,800

have no friends there are people there

15

00:01:17,180 --> 00:01:15,390

and I'm sure you'll have plenty of

16

00:01:20,210 --> 00:01:17,190

friends come on

17

00:01:22,760 --> 00:01:20,220

do I really have to go yes baby we do

18

00:01:25,609 --> 00:01:22,770

oh man we'll get used to it it's just so

19

00:01:27,920 --> 00:01:25,619

different even the sky is different and

20

00:01:33,310 --> 00:01:27,930

it's raised trust me

21

00:02:00,110 --> 00:01:50,230

[Music]
