

WE CHOSE:
THE INSPIRATION OF APOLLO

1
00:00:06,710 --> 00:00:03,590
the exploration of space will go ahead

2
00:00:08,950 --> 00:00:06,720
whether we join in it or not

3
00:00:10,310 --> 00:00:08,960
and it is one of the great adventures of

4
00:00:12,390 --> 00:00:10,320
all time

5
00:00:14,950 --> 00:00:12,400
and no nation

6
00:00:18,630 --> 00:00:14,960
which expects to be the leader of other

7
00:00:21,349 --> 00:00:18,640
nations can expect to stay behind

8
00:00:24,070 --> 00:00:21,359
but why some say them all

9
00:00:26,550 --> 00:00:24,080
why choose this is our goal

10
00:00:28,790 --> 00:00:26,560
why climb the highest mountain

11
00:00:30,470 --> 00:00:28,800
why 35 years ago

12
00:00:32,709 --> 00:00:30,480
fly the atlantic

13
00:00:35,430 --> 00:00:32,719

why does rice play texas

14

00:00:46,180 --> 00:00:35,440

we choose to go to the moon

15

00:00:46,190 --> 00:00:57,350

[Music]

16

00:01:02,229 --> 00:01:00,150

expedition 12 commander bill mcarthur

00:01:03,860 --> 00:01:02,239

for the greeting for his expedition 11

18

00:01:15,050 --> 00:01:03,870

counterpart

because of your work

21

00:01:28,230 --> 00:01:25,920

because of the ingenuity dedication and

22

00:01:30,390 --> 00:01:28,240

entrepreneurial spirit reflected in this

23

00:01:31,510 --> 00:01:30,400

room and throughout the american space

24

00:01:33,590 --> 00:01:31,520

enterprise

25

00:01:35,190 --> 00:01:33,600

since the end of apollo 11 we've forged

26

00:01:36,789 --> 00:01:35,200

incredible breakthroughs in our

27

00:01:38,870 --> 00:01:36,799

technology

28

00:01:42,680 --> 00:01:38,880

that have allowed us to go further more

29

00:01:50,630 --> 00:01:46,630

[Music]

30

00:01:57,990 --> 00:01:53,749

the first woman and the next man on the

00:01:58,000 --> 00:02:18,470

will both be american astronauts
