00:00:12,470 --> 00:00:09,830
what's your favorite color green

2
00:00:14,390 --> 00:00:12,480
favorite book anna karenina or galapagos

3
00:00:16,230 --> 00:00:14,400
by kurt vonnegut favorite song probably

4
00:00:17,750 --> 00:00:16,240
anything by the national are you a

5
00:00:19,990 --> 00:00:17,760
morning person or a night person

6
00:00:21,750 --> 00:00:20,000
definitely not a morning person what's

7
00:00:23,189 --> 00:00:21,760
one thing you're afraid of my plan's

8
00:00:24,470 --> 00:00:23,199
dying while i'm on the space station who

9
00:00:25,830 --> 00:00:24,480
is the person who makes you laugh the

10
00:00:27,429 --> 00:00:25,840
most my best friend from college

11
00:00:29,669 --> 00:00:27,439
jacqueline what is something you do

12
00:00:31,669 --> 00:00:29,679
outside of work to have fun spend time

13
00:00:33,670 --> 00:00:31,679

in the outdoors and nature hiking skiing

14

00:00:36,549 --> 00:00:33,680

what's your favorite animal probably an

15

00:00:38,709 --> 00:00:36,559

ock a seabird like a myrrh if you could

16

00:00:41,030 --> 00:00:38,719

have one superpower what would it be

17

00:00:42,869 --> 00:00:41,040

definitely to fly the most valuable high

18

00:00:44,630 --> 00:00:42,879

school or college class that you ever

19

00:00:46,389 --> 00:00:44,640

took my introductory biology class at

20

00:00:48,630 --> 00:00:46,399

brown most important advice you would

21

00:00:51,189 --> 00:00:48,640

give to your younger self appreciate and

22

00:00:53,270 --> 00:00:51,199

enjoy the moment who inspires you my

23

00:00:55,189 --> 00:00:53,280

mentor from grad school jerry coyman

24

00:00:58,069 --> 00:00:55,199

what's a goal you plan on achieving this

25

00:00:59,510 --> 00:00:58,079

year to fulfill my future plans for my

26

00:01:01,750 --> 00:00:59,520

high school yearbook to go for a

27

00:01:04,630 --> 00:01:01,760

spacewalk if you could spend one day on

28

00:01:07,109 --> 00:01:04,640

mars what would you do there for fun

29

00:01:17,670 --> 00:01:07,119

explore maybe some kind of
