

DOWN  
TO  
EARTH

1  
00:00:00,506 --> 00:00:22,546  
[ Music ]

2  
00:00:23,046 --> 00:00:24,436  
>> We have ignition  
sequence start.

3  
00:00:24,496 --> 00:00:25,196  
Five, four, three, two,  
[inaudible] liftoff,

4  
00:00:25,446 --> 00:00:27,616  
we have liftoff, we  
have [inaudible].

5  
00:00:37,516 --> 00:00:56,896  
[ Music ]

6  
00:00:57,396 --> 00:00:59,476  
>> My first sunrise from  
the Soyuz is a moment I will

7  
00:00:59,476 --> 00:01:00,126  
never forget.

8  
00:01:00,126 --> 00:01:02,216  
You couldn't wipe the  
smile off of my face.

9  
00:01:02,276 --> 00:01:03,786  
It was really amazing.

10  
00:01:05,136 --> 00:01:10,386  
>> Experiencing the views of the  
Earth, it's just so incredible,

11  
00:01:10,716 --> 00:01:12,976  
it's almost overwhelming  
when you first see it.

12

00:01:13,516 --> 00:01:18,546

[ Music ]

13

00:01:19,046 --> 00:01:22,076

>> As much as we love the  
pictures that we bring back,

14

00:01:22,186 --> 00:01:25,336

it's not the same as  
seeing it yourself.

15

00:01:26,516 --> 00:01:34,656

[ Music ]

16

00:01:35,156 --> 00:01:37,686

>> There's no words  
to come close

17

00:01:38,266 --> 00:01:40,966

to the ever-changing picture
