

Christina Koch's
*Most Memorable
Moments in Space*
Part 4

1
00:00:00,150 --> 00:00:09,589

[Music]

2
00:00:13,589 --> 00:00:11,270

in the beginning the surprise was just

3
00:00:15,749 --> 00:00:13,599

that this place actually existed but

4
00:00:18,710 --> 00:00:15,759

more recently the surprise that i've

5
00:00:21,429 --> 00:00:18,720

uncovered is the human body and mind's

6
00:00:23,670 --> 00:00:21,439

ability to adapt to any situation

7
00:00:26,710 --> 00:00:23,680

for example i sometimes joke that before

8
00:00:28,150 --> 00:00:26,720

jessica got here and before i you know

9
00:00:30,070 --> 00:00:28,160

heard her all the time explain

10
00:00:32,150 --> 00:00:30,080

exclaiming about how exciting and fun it

11
00:00:34,470 --> 00:00:32,160

was to float i think i had actually

12
00:00:36,310 --> 00:00:34,480

forgotten that i was floating the human

13
00:00:38,389 --> 00:00:36,320

mind just has an ability to really

14

00:00:41,270 --> 00:00:38,399

accommodate any situation and to turn it

15

00:00:42,950 --> 00:00:41,280

into normal so for example the fact that

16

00:00:45,350 --> 00:00:42,960

we can just work right on the ceiling

17

00:00:47,350 --> 00:00:45,360

like this and not even know the

18

00:00:49,430 --> 00:00:47,360

difference between the two it's really

19

00:00:50,709 --> 00:00:49,440

been an exciting and a huge surprise to

20

00:00:52,630 --> 00:00:50,719

see that

21

00:00:57,670 --> 00:00:52,640

life up here can actually become normal

22

00:01:00,950 --> 00:00:59,349

i'd say the most memorable item i've

23

00:01:03,349 --> 00:01:00,960

ever received would be handwritten

24

00:01:05,429 --> 00:01:03,359

letters from my husband no matter what

25

00:01:07,910 --> 00:01:05,439

things that people send up and take the

26

00:01:10,230 --> 00:01:07,920

time to make me or write me physical

27

00:01:12,469 --> 00:01:10,240

things that i can hold mean the world

28

00:01:14,390 --> 00:01:12,479

i've gotten two handwritten letters from

29

00:01:16,789 --> 00:01:14,400

my husband and they're always from

30

00:01:19,109 --> 00:01:16,799

months before so for example i got one

31

00:01:21,910 --> 00:01:19,119

in october that he wrote in july because

32

00:01:24,310 --> 00:01:21,920

of the due dates of our of our items so

33

00:01:26,710 --> 00:01:24,320

the letters aren't necessarily relevant

34

00:01:28,950 --> 00:01:26,720

to the moment but the fact that you know

35

00:01:30,710 --> 00:01:28,960

they can express things and that it's

36

00:01:32,149 --> 00:01:30,720

something that someone you love on earth

37

00:01:36,310 --> 00:01:32,159

actually was holding in their hands is

38

00:01:46,570 --> 00:01:43,990

[Music]
