

DOWN EPISODE 8
TO EARTH

Enjoy the View

1
00:00:12,180 --> 00:00:20,060
[MUSIC]

2
00:00:20,320 --> 00:00:21,460
>> YOU'RE STRAPPED

3
00:00:21,460 --> 00:00:22,220
IN THIS SPACE SHUTTLE

4
00:00:22,220 --> 00:00:23,400
ON THE LAUNCHPAD

5
00:00:23,400 --> 00:00:25,100
AND THE COUNTDOWN GETS TO ZERO

6
00:00:25,100 --> 00:00:26,100
AND-AND YOU FEEL LIKE YOU'RE

7
00:00:26,100 --> 00:00:27,850
JUST IN A CAR WRECK BECAUSE

8
00:00:27,850 --> 00:00:28,940
THE SOLID ROCKET BOOSTERS

9
00:00:28,940 --> 00:00:30,530
LIGHT OFF AND THEY GIVE YOU

10
00:00:30,530 --> 00:00:31,610
A KICK IN THE BACKSIDE

11
00:00:31,610 --> 00:00:32,840
LIKE YOU WERE JUST REAR-ENDED

12
00:00:32,840 --> 00:00:34,930
AT A STOP SIGN LITERALLY.

13
00:00:34,930 --> 00:00:36,600

AND LAUNCH YOU INTO SPACE,

14

00:00:36,600 --> 00:00:37,600

AND EIGHT AND A HALF MINUTES

15

00:00:37,600 --> 00:00:38,600

LATER, YOU'RE THERE

16

00:00:38,600 --> 00:00:40,040

AND FLOAT OUT OF YOUR SEAT,

17

00:00:40,040 --> 00:00:42,800

AND START TAKING IN THOSE VIEWS

18

00:00:42,800 --> 00:00:44,280

WHICH I CAN'T DESCRIBE.

19

00:00:44,280 --> 00:00:45,550

IF IT'S ONE THING I WISH

20

00:00:45,550 --> 00:00:46,550

I WAS BETTER AT,

21

00:00:46,550 --> 00:00:47,730

IT WAS ACTUALLY DESCRIBING

22

00:00:47,730 --> 00:00:48,870

THAT EXPERIENCE OF BEING

23

00:00:48,870 --> 00:00:50,280

WEIGHTLESS OR EXPERIENCING

24

00:00:50,280 --> 00:00:52,250

THE VIEWS OF THE EARTH.

25

00:00:52,250 --> 00:00:53,739

IT'S JUST, YOU KNOW,

26

00:00:53,740 --> 00:00:55,760

SO INCREDIBLE.

27

00:00:59,770 --> 00:01:01,160

I WAS THERE FOR TWO

28

00:01:01,170 --> 00:01:02,170

SPACE SHUTTLE MISSIONS.

29

00:01:02,170 --> 00:01:03,170

SO I WAS NEVER THERE FOR

30

00:01:03,170 --> 00:01:05,300

MORE THAN 16 DAYS AT A TIME,

31

00:01:05,300 --> 00:01:06,300

BUT EVERY TIME I HAD

32

00:01:06,300 --> 00:01:07,960

A SPARE MINUTE, I WOULD GO TO

33

00:01:07,960 --> 00:01:10,160

A WINDOW, TAKE A LOOK OUT.

34

00:01:18,000 --> 00:01:19,159

THE SPACEWALKS ALWAYS SEEMED

35

00:01:19,159 --> 00:01:21,130

TO BE VERY, UH, BUSY

36

00:01:21,130 --> 00:01:23,080

AND TASK-FOCUSED EVENTS

37

00:01:23,080 --> 00:01:24,840

WHERE I GOTTA DO THIS

38

00:01:24,840 --> 00:01:25,840

AND I GOTTA MOVE OVER HERE

39

00:01:25,840 --> 00:01:27,100

AND DO THIS-- AND RARELY

40

00:01:27,100 --> 00:01:28,100

DID YOU HAVE A MINUTE WHERE

41

00:01:28,100 --> 00:01:29,120

YOU COULD JUST SAY,

42

00:01:29,120 --> 00:01:30,149

"JUST TAKE A MINUTE

43

00:01:30,149 --> 00:01:31,860

"AND ENJOY THE VIEW."

44

00:01:31,860 --> 00:01:32,860

BUT, YOU KNOW, THERE WERE THOSE

45

00:01:32,860 --> 00:01:34,520

MINUTES EVERY ONCE IN AWHILE.

46

00:01:34,520 --> 00:01:36,060

AND THE VIEW FROM OUTSIDE

47

00:01:36,060 --> 00:01:37,060

THE SPACECRAFT, YOU KNOW,

48

00:01:37,060 --> 00:01:39,369

WITH THAT FULL PANORAMIC VISION

49

00:01:39,369 --> 00:01:40,659

THROUGH YOUR HELMET VISOR

50

00:01:40,659 --> 00:01:42,600

WAS JUST INCREDIBLE.

51
00:01:42,600 --> 00:01:43,969
SO I ALWAYS KID THOSE ASTRONAUTS

52
00:01:43,969 --> 00:01:46,021
THAT DON'T DO THE SPACEWALKS,

53
00:01:46,021 --> 00:01:47,021
YOU KNOW-- I SAID THE VIEW

54
00:01:47,021 --> 00:01:48,021
FROM INSIDE HERE

55
00:01:48,021 --> 00:01:49,021
THROUGH THIS FLAT WINDOW

56
00:01:49,021 --> 00:01:50,021
IS PRETTY GOOD, YOU KNOW.

57
00:01:50,021 --> 00:01:51,021
THE VIEW FROM OUTSIDE

58
00:01:51,021 --> 00:01:52,400
IS JUST AMAZING.

59
00:01:59,440 --> 00:02:01,100
YOU SEE THE COLORS OF BLUE

60
00:02:01,110 --> 00:02:02,120
THAT YOU'VE NEVER EVEN

61
00:02:02,120 --> 00:02:03,120
SEEN BEFORE.

62
00:02:03,120 --> 00:02:04,899
THE SHADES AND HUES OF BLUE

63
00:02:04,899 --> 00:02:06,880

AND YOU SEE THAT FINE,

64

00:02:06,880 --> 00:02:07,880

THIN ATMOSPHERE

65

00:02:07,880 --> 00:02:08,880

THAT PROTECTS US.

66

00:02:08,880 --> 00:02:10,210

IT'S JUST, UH,

67

00:02:10,210 --> 00:02:11,210

ALMOST OVERWHELMING

68

00:02:11,210 --> 00:02:12,580

WHEN YOU FIRST SEE IT.

69

00:02:18,690 --> 00:02:19,680

I THINK IF YOU'RE NOT

70

00:02:19,690 --> 00:02:20,690

A CONSERVATIONIST BEFORE YOU GO

71

00:02:20,690 --> 00:02:21,910

TO SPACE, YOU'RE AT LEAST

72

00:02:21,910 --> 00:02:23,550

PARTLY A CONSERVATIONIST

73

00:02:23,550 --> 00:02:24,550

WHEN YOU COME BACK.

74

00:02:24,550 --> 00:02:26,020

BECAUSE WHEN YOU SEE HOW THIN

75

00:02:26,020 --> 00:02:27,270

THAT ATMOSPHERE IS,

76

00:02:27,270 --> 00:02:28,270

THAT PROTECTIVE LAYER

77

00:02:28,270 --> 00:02:30,110

THAT WE HAVE HERE

78

00:02:30,110 --> 00:02:31,990

THAT ALLOWS US TO WALK AROUND

79

00:02:31,990 --> 00:02:33,470

WITHOUT A SPACESUIT ON

80

00:02:33,470 --> 00:02:34,470

DOWN HERE, YOU KNOW,

81

00:02:34,470 --> 00:02:36,190

AND BREATHE THE AIR.

82

00:02:36,190 --> 00:02:37,190

YOU THINK, WOW, WE REALLY

83

00:02:37,190 --> 00:02:38,190

HAVE TO TAKE CARE OF THIS.

84

00:02:38,190 --> 00:02:39,190

BECAUSE IT DOES LOOK

85

00:02:39,190 --> 00:02:41,240

SO FRAGILE FROM SPACE.

86

00:02:45,320 --> 00:02:47,080

I THINK IF WE COULD GET

87

00:02:47,080 --> 00:02:48,360

ALL SIX BILLION PEOPLE,

88

00:02:48,360 --> 00:02:49,490

OR HOWEVER MANY WE HAVE NOW

89

00:02:49,490 --> 00:02:51,840

ON THIS PLANET TO SEE THAT VIEW

90

00:02:51,840 --> 00:02:53,550

FOR JUST A FEW MINUTES,

91

00:02:53,550 --> 00:02:55,500

I THINK THE WHOLE PLANET
