

KNOW YOUR CREW!
WITH BOB BEHNKEN
AND DOUG HURLEY

1
00:00:06,560 --> 00:00:01,829
action

2
00:00:18,550 --> 00:00:16,150
[Music]

3
00:00:21,590 --> 00:00:18,560
this mission is the crude test flight

4
00:00:24,390 --> 00:00:21,600
for the uh spacex crew dragon it has a

5
00:00:26,310 --> 00:00:24,400
lot of features and capabilities that

6
00:00:28,470 --> 00:00:26,320
hopefully we never have to utilize in a

7
00:00:30,390 --> 00:00:28,480
real mission but doug and i will make

8
00:00:31,470 --> 00:00:30,400
sure that they are all ready just in

9
00:00:42,709 --> 00:00:31,480
case we do

10
00:00:49,910 --> 00:00:45,910
three words i would just say he's pretty

11
00:00:54,310 --> 00:00:51,390
perfect

12
00:00:56,549 --> 00:00:54,320
[Music]

13
00:00:59,029 --> 00:00:56,559

doug's worst habit i don't know he's got

14

00:01:00,790 --> 00:00:59,039

a tighter sense of hygiene than i do i

15

00:01:03,189 --> 00:01:00,800

think do you really want it clean that

16

00:01:05,350 --> 00:01:03,199

well yes i do yeah

17

00:01:06,789 --> 00:01:05,360

i don't he doesn't have one yeah you

18

00:01:09,190 --> 00:01:06,799

can't chicken out like that because i

19

00:01:13,270 --> 00:01:09,200

didn't chicken out so what i would say

20

00:01:15,910 --> 00:01:13,280

is he uh i know almost instantaneously

21

00:01:17,830 --> 00:01:15,920

when i've not done something correctly

22

00:01:21,350 --> 00:01:17,840

let's put it that way he doesn't have a

23

00:01:26,390 --> 00:01:24,070

oh that's me no question yeah definitely

24

00:01:28,149 --> 00:01:26,400

doug is uh more organized than i am but

25

00:01:30,710 --> 00:01:28,159

i i think there's a balance he's

26

00:01:32,950 --> 00:01:30,720

organized with a set of information i

27

00:01:35,440 --> 00:01:32,960

think i have a wider set of information

28

00:01:37,749 --> 00:01:35,450

it just takes a while to find it

29

00:01:39,590 --> 00:01:37,759

[Music]

30

00:01:41,109 --> 00:01:39,600

uh it's kind of an interesting question

31

00:01:42,870 --> 00:01:41,119

i i would bet on

32

00:01:44,469 --> 00:01:42,880

it's a distance thing right

33

00:01:46,710 --> 00:01:44,479

i would bet on me but i think it's

34

00:01:49,510 --> 00:01:46,720

deceiving yeah bob's deceptively fast

35

00:01:51,190 --> 00:01:49,520

but maybe over a very short distance if

36

00:01:53,429 --> 00:01:51,200

like you're chasing a ball in a in a

37

00:01:55,190 --> 00:01:53,439

baseball game that's doug's job but if

38

00:01:57,670 --> 00:01:55,200

you need to do a little bit further

39

00:01:59,830 --> 00:01:57,680

distance it's probably me

40

00:02:02,230 --> 00:01:59,840

his favorite pastime i think nowadays

41

00:02:04,230 --> 00:02:02,240

his favorite pastime is

42

00:02:06,469 --> 00:02:04,240

hanging out with his son and i think

43

00:02:08,550 --> 00:02:06,479

that's kind of for both of us but bob

44

00:02:10,590 --> 00:02:08,560

definitely that's his if he has a hobby

45

00:02:13,110 --> 00:02:10,600

that's what it is

46

00:02:15,830 --> 00:02:13,120

[Music]

47

00:02:17,670 --> 00:02:15,840

i think the the answer for both of us is

48

00:02:19,350 --> 00:02:17,680

really something that our dads made us

49

00:02:21,030 --> 00:02:19,360

do and so

50

00:02:23,030 --> 00:02:21,040

those were the real jobs for us and you

51
00:02:25,190 --> 00:02:23,040
know that's probably the hardest boss

52
00:02:27,190 --> 00:02:25,200
that you ever worked for is your father

53
00:02:29,589 --> 00:02:27,200
and it's not fun work usually it's

54
00:02:33,910 --> 00:02:29,599
cleaning up picking up carrying the good

55
00:02:38,869 --> 00:02:36,710
he likes country and western no his

56
00:02:41,030 --> 00:02:38,879
favorite music is kind of uh in the

57
00:02:42,949 --> 00:02:41,040
alternative rock kind of category you

58
00:02:45,750 --> 00:02:42,959
know we both kind of grew up with the

59
00:02:48,150 --> 00:02:45,760
70s and 80s music kind of have the same

60
00:02:51,400 --> 00:02:48,160
probably lexicon of of music that we'll

61
00:02:53,670 --> 00:02:51,410
probably listen to on orbit

62
00:02:55,750 --> 00:02:53,680
[Music]

63
00:02:57,830 --> 00:02:55,760

i i think i would be lying if i said

64

00:02:59,750 --> 00:02:57,840

that didn't happen probably once a week

65

00:03:01,750 --> 00:02:59,760

you know bob is just one of those guys

66

00:03:04,149 --> 00:03:01,760

that he's as competent as smart

67

00:03:06,309 --> 00:03:04,159

dependable especially this this

68

00:03:08,149 --> 00:03:06,319

particular experience where the last two

69

00:03:11,320 --> 00:03:08,159

years working you know the two of us

70

00:03:13,509 --> 00:03:11,330

working directly with spacex

71

00:03:15,830 --> 00:03:13,519

[Music]

72

00:03:17,720 --> 00:03:15,840

i'm scared for speech gear obscure

73

00:03:19,830 --> 00:03:17,730

anything obscure things

74

00:03:22,149 --> 00:03:19,840

[Laughter]

75

00:03:23,509 --> 00:03:22,159

if we had to get some useful useless

76

00:03:25,589 --> 00:03:23,519

information doug is always the

77

00:03:27,589 --> 00:03:25,599

repository for that just as a fun thing

78

00:03:31,589 --> 00:03:27,599

he's the trivia master between the

79

00:03:35,670 --> 00:03:33,750

you us do that one first um i think that

80

00:03:38,229 --> 00:03:35,680

the the thing i'm most looking forward

81

00:03:40,390 --> 00:03:38,239

to uh uh is is actually ending up in the

82

00:03:42,229 --> 00:03:40,400

water safely at the end of the mission

83

00:03:45,190 --> 00:03:42,239

and and seeing how we both

84

00:03:48,309 --> 00:03:45,200

go through that experience of uh

85

00:03:50,229 --> 00:03:48,319

i'm expecting um a little bit of

86

00:03:51,990 --> 00:03:50,239

a little bit of vomiting maybe to happen

87

00:03:53,990 --> 00:03:52,000

in the end game so when we get to that

88

00:03:55,509 --> 00:03:54,000

opportunity to do that in the water

89

00:03:57,270 --> 00:03:55,519

together it's kind of a weird thing to

90

00:04:00,149 --> 00:03:57,280

say but that's the i'm looking for that

91

00:04:01,589 --> 00:04:00,159

kind of celebratory uh event for me it's

92

00:04:03,509 --> 00:04:01,599

it's just

93

00:04:05,030 --> 00:04:03,519

actually getting to fly the mission with

94

00:04:07,429 --> 00:04:05,040

bob you know we've been close friends

95

00:04:09,429 --> 00:04:07,439

for since we started as astronauts

96

00:04:11,270 --> 00:04:09,439

almost 20 years ago so being lucky

97

00:04:13,509 --> 00:04:11,280

enough to get to fly with your best

98

00:04:15,110 --> 00:04:13,519

friend is kind of a

99

00:04:16,469 --> 00:04:15,120

i think there's a lot of people that

100

00:04:18,150 --> 00:04:16,479

wish they could do that and we're lucky

101

00:04:20,069 --> 00:04:18,160

enough to do it we've spent a ton of

102

00:04:21,270 --> 00:04:20,079

time together we could have gone two

103

00:04:22,390 --> 00:04:21,280

directions with that we could have

104

00:04:24,150 --> 00:04:22,400

gotten to the point where we didn't want

105

00:04:26,230 --> 00:04:24,160

to be around each other or you know

106

00:04:28,870 --> 00:04:26,240

we're closer so you know i think just

107

00:04:30,390 --> 00:04:28,880

the whole experience for me is that what

108

00:04:32,150 --> 00:04:30,400

we're looking for and then yes the

109

00:04:35,300 --> 00:04:32,160

celebratory vomiting at the end of the

110

00:04:46,790 --> 00:04:35,310

mission will be will be excellent

111

00:04:49,330 --> 00:04:46,800

[Music]
