

SPACESUITS FOR THE NEXT EXPLORERS

WHAT IS AN EVA?

1
00:00:08,790 --> 00:00:06,309
what is an eva eva is an acronym that

2
00:00:10,470 --> 00:00:08,800
stands for extravehicular activity which

3
00:00:12,150 --> 00:00:10,480
is what most people know is a spacewalk

4
00:00:15,110 --> 00:00:12,160
it's whenever we take astronauts and we

5
00:00:17,189 --> 00:00:15,120
let them go outside to do useful work in

6
00:00:19,750 --> 00:00:17,199
the vacuum of space so going back to the

7
00:00:21,510 --> 00:00:19,760
surface of the moon going to mars any

8
00:00:23,750 --> 00:00:21,520
mission that includes humans will have

9
00:00:26,030 --> 00:00:23,760
the eba to do what nasa was meant to do
