

# SPACESUITS FOR THE NEXT EXPLORERS

“NEW CAR SMELL!”

1  
00:00:07,829 --> 00:00:05,829  
you can't do exploration from inside of

2  
00:00:09,669 --> 00:00:07,839  
a spaceship looking out a window we

3  
00:00:16,790 --> 00:00:09,679  
really need the astronauts to go out and

4  
00:00:21,429 --> 00:00:19,429  
and so we are trying to provide the best

5  
00:00:22,790 --> 00:00:21,439  
tool to the crew members that we can no

6  
00:00:25,429 --> 00:00:22,800  
matter where they go

7  
00:00:26,950 --> 00:00:25,439  
so it is the exploration spacesuit this

8  
00:00:29,349 --> 00:00:26,960  
new suit allows the human to move more

9  
00:00:31,349 --> 00:00:29,359  
naturally and more fluidly the system

10  
00:00:33,110 --> 00:00:31,359  
will adapt to the human inside it and

11  
00:00:35,510 --> 00:00:33,120  
the human will adapt to the system it is

12  
00:00:37,590 --> 00:00:35,520  
like a brand new spacecraft it even has

13  
00:00:38,869 --> 00:00:37,600

the new smell and everything it does

14

00:00:40,709 --> 00:00:38,879

it's tired

15

00:00:42,470 --> 00:00:40,719

it's very exciting

16

00:00:44,790 --> 00:00:42,480

my career happens to coincide with this

17

00:00:46,470 --> 00:00:44,800

great opportunity to go back to the moon

18

00:00:49,410 --> 00:00:46,480

like i can't believe i'm so lucky just

19

00:01:00,709 --> 00:00:49,420

to be here at this time
