

KNOW YOUR CREW...ONE!
**WITH SHANNON WALKER,
VICTOR GLOVER, MIKE HOPKINS,
AND SOICHI NOGUCHI**

1
00:00:07,610 --> 00:00:06,470

[Music]

2
00:00:17,189 --> 00:00:07,620

so

3
00:00:18,150 --> 00:00:17,199

[Music]

4
00:00:19,670 --> 00:00:18,160

yes

5
00:00:21,750 --> 00:00:19,680
the mission i mean it you know for me

6
00:00:23,670 --> 00:00:21,760
this is all new the fact that we get to

7
00:00:25,750 --> 00:00:23,680
fly a new spacecraft to the space

8
00:00:27,429 --> 00:00:25,760
station it's not even icing on the cake

9
00:00:28,310 --> 00:00:27,439
that's like the the

10
00:00:33,510 --> 00:00:28,320
the

11
00:00:35,590 --> 00:00:33,520
looking forward to

12
00:00:37,350 --> 00:00:35,600
the camaraderie on the space station

13
00:00:40,069 --> 00:00:37,360

uh landing safely

14

00:00:44,549 --> 00:00:41,910

you know that's a tough one uh you know

15

00:00:46,549 --> 00:00:44,559

suicia is probably the quietest but he

16

00:00:50,310 --> 00:00:46,559

is probably the funniest as well

17

00:00:52,389 --> 00:00:50,320

suici soichi appears to be a very quiet

18

00:00:54,709 --> 00:00:52,399

person and yet he comes out with some

19

00:00:56,950 --> 00:00:54,719

fantastic one-liners oh man soichi

20

00:00:59,430 --> 00:00:56,960

noguchi i used the word dignified to

21

00:01:01,830 --> 00:00:59,440

describe him but his and so his humor is

22

00:01:03,670 --> 00:01:01,840

very dry and subtle but it is extremely

23

00:01:07,030 --> 00:01:03,680

witty

24

00:01:12,390 --> 00:01:10,070

being bossy that's not good

25

00:01:13,750 --> 00:01:12,400

uh what am i better at uh

26

00:01:17,350 --> 00:01:13,760

i'm probably better at cooking than they

27

00:01:20,950 --> 00:01:19,350

i probably eat more than any of them

28

00:01:21,990 --> 00:01:20,960

they may be making a good cup of coffee

29

00:01:23,670 --> 00:01:22,000

i don't know because there's a lot of

30

00:01:25,830 --> 00:01:23,680

skill there's a lot of talent

31

00:01:28,469 --> 00:01:25,840

in that

32

00:01:29,270 --> 00:01:28,479

i'm not the song person to ask no way

33

00:01:30,950 --> 00:01:29,280

nope

34

00:01:34,469 --> 00:01:30,960

turn it on

35

00:01:36,069 --> 00:01:34,479

pretty much don't stop believing

36

00:01:37,670 --> 00:01:36,079

well because i'm gonna play it a lot on

37

00:01:42,630 --> 00:01:37,680

orbit it's gonna become a song that we

38

00:01:46,230 --> 00:01:43,990

save her every moment

39

00:01:47,670 --> 00:01:46,240

don't eat too much on launch day

40

00:01:51,030 --> 00:01:47,680

we know you want to work hard but you

41

00:01:54,469 --> 00:01:51,040

need to take time to smell the roses too

42

00:01:56,550 --> 00:01:54,479

to enjoy it to not focus all the time on

43

00:02:00,149 --> 00:01:56,560

working hard and getting everything done

44

00:02:01,990 --> 00:02:00,159

but to enjoy the moments to take more

45

00:02:03,910 --> 00:02:02,000

pictures inside we spend a lot of time

46

00:02:05,590 --> 00:02:03,920

taking pictures of the earth but to turn

47

00:02:10,150 --> 00:02:05,600

those cameras inside the station and

48

00:02:13,110 --> 00:02:10,160

take pictures of the life that you have

49

00:02:18,150 --> 00:02:15,910

no you know i think everybody however i

50

00:02:19,030 --> 00:02:18,160

would say if there's someone that maybe

51

00:02:21,510 --> 00:02:19,040

is

52

00:02:23,110 --> 00:02:21,520

you know labels their their drawers and

53

00:02:24,710 --> 00:02:23,120

has like cutouts at home where

54

00:02:26,550 --> 00:02:24,720

everything goes so they can quickly see

55

00:02:27,750 --> 00:02:26,560

if something is missing i would say it's

56

00:02:32,390 --> 00:02:27,760

probably mike

57

00:02:37,830 --> 00:02:34,949

it's probably me and i'm on the live

58

00:02:39,589 --> 00:02:37,840

stage that i have to admit it

59

00:02:41,750 --> 00:02:39,599

you know

60

00:02:43,350 --> 00:02:41,760

mike played football in college and i

61

00:02:45,190 --> 00:02:43,360

played football in college and so i

62

00:02:46,630 --> 00:02:45,200

think it's not fair to really go outside

63

00:02:48,550 --> 00:02:46,640

of that

64

00:02:50,150 --> 00:02:48,560

victor of course

65

00:02:51,090 --> 00:02:50,160

well come on my last name is walker what

66

00:02:55,509 --> 00:02:51,100

do you expect

67

00:02:58,869 --> 00:02:55,519

[Music]

68

00:03:00,790 --> 00:02:58,879

oh man that's mike hopkins has a mean

69

00:03:02,070 --> 00:03:00,800

70

71

00:03:07,990 --> 00:03:05,040

doesn't know what it means post

72

00:03:10,390 --> 00:03:08,000

how do you know what blue steel means

73

00:03:13,030 --> 00:03:10,400

what's blue stitch

74

00:03:13,910 --> 00:03:13,040

oh no

75

00:03:16,390 --> 00:03:13,920

yes

76

00:03:19,420 --> 00:03:16,400

okay i prefer jumanji with the the

77

00:03:27,040 --> 00:03:24,470
