11  
00:00:36,630 --> 00:00:34,880  
have seasons but i guess living in

12  
00:00:39,030 --> 00:00:36,640  
california like going to college in san

13  
00:00:40,950 --> 00:00:39,040

22

00:01:05,590 --> 00:01:02,640

difficult

23

00:01:07,990 --> 00:01:05,600

24

00:01:10,630 --> 00:01:08,000

spend the day on more

26  
00:01:13,270 --> 00:01:12,400  
i'd probably run around and take lots of

27  
00:01:15,030 --> 00:01:13,280  
pictures

28  
00:01:18,469 --> 00:01:15,040  
sun dune driving

29  
00:01:20,390 --> 00:01:18,479

30  
00:01:22,070 --> 00:01:20,400

31  
00:01:24,230 --> 00:01:22,080

32  
00:01:26,630 --> 00:01:24,240

that dark chocolate sleeping during

40

00:01:45,590 --> 00:01:43,600

media i get to do so many amazing things

41

00:01:48,230 --> 00:01:45,600

in my life when i have the time and can

42

00:01:49,670 --> 00:01:48,240

afford to do nothing i really like to do

43

00:01:54,230 --> 00:01:49,680

nothing

44

00:01:56,630 --> 00:01:54,240

oh parent by far being a parent parent

45

00:01:57,670 --> 00:01:56,640

hands down

46

00:02:00,230 --> 00:01:57,680

hopper

47

00:02:02,149 --> 00:02:00,240

ike it's an acronym stands for i know

48

00:02:03,830 --> 00:02:02,159

everything it's a reminder to never pass

49

00:02:06,469 --> 00:02:03,840

up a good opportunity to keep my mouth

50

00:02:10,469 --> 00:02:08,229

walking on the moon to work on the

51  
00:02:13,190 --> 00:02:10,479  
surface of the moon that that's a

52  
00:02:16,450 --> 00:02:13,200  
dream absolutely i want to spend a

53  
00:02:18,229 --> 00:02:16,460  
single day without any calendar events

54  
00:02:19,589 --> 00:02:18,239  
[Music]

55  
00:02:22,070 --> 00:02:19,599  
an officer in the united states air

56  
00:02:24,949 --> 00:02:22,080  
force therapist i'm good at listening to

57  
00:02:26,949 --> 00:02:24,959  
other persons talk believe me i'd still

58  
00:02:29,030 --> 00:02:26,959  
be flying but the other thing i loved

59  
00:02:30,309 --> 00:02:29,040  
doing was working with students i being

60  
00:02:31,750 --> 00:02:30,319  
in a classroom

61  
00:02:34,710 --> 00:02:31,760  
is one of the most meaningful things

62  
00:02:37,030 --> 00:02:34,720  
i've ever done even to this day

63  
00:02:40,710 --> 00:02:37,040

karaoke anything with my family if i

64

00:02:43,670 --> 00:02:40,720

could fly more i would fly more

65

00:02:45,589 --> 00:02:43,680

uh commander of a time machine

66

00:02:47,990 --> 00:02:45,599

uh so the kids say it should be

67

00:02:49,509 --> 00:02:48,000

telekinesis but i think to fly

68

00:02:50,630 --> 00:02:49,519

teleportation

69

00:02:54,309 --> 00:02:50,640

to fly

70

00:02:56,949 --> 00:02:54,319

i think we have a trend here

71

00:02:58,630 --> 00:02:56,959

i got a sweet tooth probably mexican

72

00:03:01,030 --> 00:02:58,640

food or indian food

73

00:03:04,390 --> 00:03:01,040

or maybe thai food good question i would

74

00:03:05,750 --> 00:03:04,400

say moroccan and indian

75

00:03:07,430 --> 00:03:05,760

favorite decade

76

00:03:09,509 --> 00:03:07,440

wow

77

00:03:10,869 --> 00:03:09,519

for a decade right now

78

00:03:20,910 --> 00:03:10,879
