

NASA

FAN MAIL

1  
00:00:00,715 --> 00:00:02,715  
HI EVERYBODY. SINCE I'VE BEEN BACK

2  
00:00:02,715 --> 00:00:04,964  
FROM SPACE, I'VE ACCUMULATED A LOT

3  
00:00:04,964 --> 00:00:06,090  
OF FAN MAIL.

4  
00:00:06,090 --> 00:00:09,063  
WHAT A CRAZY YEAR 2020 HAS BEEN.

5  
00:00:09,063 --> 00:00:11,897  
BUT THE FAN MAIL STILL COMES IN.

6  
00:00:11,897 --> 00:00:13,659  
THE NASA MISSION KEEPS GOING ON.

7  
00:00:13,659 --> 00:00:14,841  
FAN MAIL HAS BEEN REALLY IMPORTANT

8  
00:00:14,841 --> 00:00:16,841  
TO ME, I ALWAYS MAKE A POINT

9  
00:00:16,841 --> 00:00:17,669  
TO ANSWER MY FAN MAIL.

10  
00:00:17,669 --> 00:00:19,669  
I'VE COLLECTED SOME OF MY FAVORITES

11  
00:00:19,669 --> 00:00:21,212  
IN A PHOTO ALBUM.

12  
00:00:21,212 --> 00:00:23,212  
NOW LIKE MANY OF YOU, I DON'T

13  
00:00:23,212 --> 00:00:25,212

COME IN TO WORK PHYSICALLY, VERY

14

00:00:25,212 --> 00:00:27,013

OFTEN, IT HAS BEEN A YEAR OF

15

00:00:27,013 --> 00:00:27,782

REMOTE WORKING.

16

00:00:27,782 --> 00:00:29,334

I STOPPED BY MY OFFICE TODAY,

17

00:00:29,334 --> 00:00:30,401

BECAUSE I WANTED TO GET SOME THINGS

18

00:00:30,401 --> 00:00:32,401

DONE. AND I HADN'T CHECKED MY

19

00:00:32,401 --> 00:00:33,567

MAILBOX IN 8 MONTHS.

20

00:00:33,567 --> 00:00:35,397

AND SO I JUST WALKED IN TO A GIANT

21

00:00:35,397 --> 00:00:36,751

STACK OF MAIL, BECAUSE CLEARLY,

22

00:00:36,751 --> 00:00:38,751

ALL OF YOU GUYS HAVE STILL BEEN

23

00:00:38,751 --> 00:00:40,096

WRITING YOUR LETTERS.

24

00:00:40,096 --> 00:00:42,096

SO, I HAVE DECIDED, I'M PUTTING OFF

25

00:00:42,096 --> 00:00:43,361

MY WORK FOR TODAY,

26

00:00:43,361 --> 00:00:44,170

BECAUSE HEARING FROM YOU IS

27

00:00:44,170 --> 00:00:44,978

WAY MORE INTERESTING.

28

00:00:44,978 --> 00:00:46,501

SO I THOUGHT MAYBE YOU'D LIKE TO JOIN

29

00:00:46,501 --> 00:00:48,104

ME IN READING SOME OF THIS MAIL.

30

00:00:48,104 --> 00:00:49,647

SO, LET'S GET STARTED.

31

00:00:50,000 --> 00:00:52,000

[MUSIC]

32

00:00:57,354 --> 00:00:59,313

LET'S SEE, SEE WHAT WE'VE GOT.

33

00:00:59,313 --> 00:01:01,313

HOW DOES LAUNRY WORK IN SPACE?

34

00:01:01,313 --> 00:01:02,768

DO YOU HAVE THE GENERAL WASHERS AND

35

00:01:02,768 --> 00:01:04,431

DRYERS LIKE ON EARTH, OR IS IT

36

00:01:04,431 --> 00:01:05,696

COMPLETELY DIFFERENT?

37

00:01:05,696 --> 00:01:07,626

ACTUALLY, WE DON'T HAVE ANY

38

00:01:07,626 --> 00:01:09,596

WASHING MACHINES, NO DISHWASHERS,

39

00:01:09,596 --> 00:01:12,042

NO LAUNDRY, NONE OF THAT.

40

00:01:12,042 --> 00:01:13,922

WE DON'T HAVE THE CAPACITY TO DO THAT

41

00:01:13,922 --> 00:01:15,000

ON THE SPACE STATION

42

00:01:15,000 --> 00:01:16,672

PERHAPS OTHER FUTURE SPACECRAFT

43

00:01:16,672 --> 00:01:18,674

MIGHT HAVE THAT CAPABILITY,

44

00:01:18,674 --> 00:01:20,317

BUT RIGHT NOW, WE DON'T.

45

00:01:20,317 --> 00:01:21,988

SO WE WEAR OUR CLOTHES FOR A CERTAIN

46

00:01:21,988 --> 00:01:23,075

AMOUNT OF TIME,

47

00:01:23,075 --> 00:01:24,055

AND THEN, WHEN THEY'RE A LITTLE BIT

48

00:01:24,055 --> 00:01:25,598

TOO DIRTY TO WEAR ANYMORE,

49

00:01:25,598 --> 00:01:26,645

THEN WE TAKE NEW ONES.

50

00:01:26,645 --> 00:01:28,963

SO MY FIRST PIECE OF MAIL COMES

51  
00:01:28,963 --> 00:01:30,963  
FROM NORTH BEND, WASHINGTON

52  
00:01:30,963 --> 00:01:33,464  
AND IT SAYS, "ATTENTION ALIENS."

53  
00:01:35,112 --> 00:01:37,517  
DO NOT FEAR, DO NOT ATTACK.

54  
00:01:38,212 --> 00:01:40,560  
I DO COME IN PEACE. DOA MIDGIK.

55  
00:01:41,493 --> 00:01:42,619  
THANK YOU DOA.

56  
00:01:43,076 --> 00:01:44,204  
THIS IS ONE OF MY FAVORITES.

57  
00:01:44,204 --> 00:01:46,204  
THIS IS FROM ELENA. IT SAYS,

58  
00:01:46,204 --> 00:01:48,323  
DEAR MR. MORGAN, HELLO, MY NAME IS

59  
00:01:48,323 --> 00:01:50,323  
ELENA, I'M 8 YEARS OLD.

60  
00:01:50,323 --> 00:01:52,416  
I GO TO A SCHOOL NAMED MATH AND

61  
00:01:52,416 --> 00:01:53,124  
SCIENCE ACADEMY.

62  
00:01:53,124 --> 00:01:54,866  
I'M IN THIRD GRADE.

63  
00:01:54,866 --> 00:01:55,654

I'M CUBAN,

64

00:01:55,654 --> 00:01:56,502

AND PUERTO RICAN,

65

00:01:56,502 --> 00:01:57,489

AND CUBAN.

66

00:01:57,489 --> 00:01:58,623

AND I WOULD LOVE TO BE A

67

00:01:58,623 --> 00:01:59,623

DOCTOR WHEN I'M OLDER.

68

00:01:59,623 --> 00:02:01,369

I ALSO WANT TO BE A FAMOUS PERSON.

69

00:02:01,369 --> 00:02:02,773

DEAR ASTRONAUT KIM,

70

00:02:03,310 --> 00:02:05,674

MY NAME IS BEN, I AM IN THE THIRD GRADE

71

00:02:06,091 --> 00:02:07,576

SPACE INTERESTS ME WITH ROCKET

72

00:02:07,576 --> 00:02:09,847

SHIPS, PLANETS, AND SCIENCE.

73

00:02:10,000 --> 00:02:12,153

HOW BIG CAN ASTEROIDS GET?

74

00:02:12,153 --> 00:02:13,776

WE ACTUALLY JUST HAD A RECENT

75

00:02:13,776 --> 00:02:15,776

MISSION CALLED OSIRIS.

76

00:02:15,776 --> 00:02:18,101

WHERE WE LANDED A SPACECRAFT

77

00:02:18,101 --> 00:02:21,175

ONTO A NEAR-EARTH ASTEROID

78

00:02:21,175 --> 00:02:22,358

CALLED BENNU.

79

00:02:22,358 --> 00:02:24,804

AND BENNU'S NOT THE BIGGEST ASTEROID

80

00:02:24,804 --> 00:02:25,931

IN OUR SOLAR SYSTEM.

81

00:02:25,931 --> 00:02:28,179

ASTEROIDS CAN BE REALLY, REALLY LARGE

82

00:02:28,179 --> 00:02:30,626

OR MORE ON THE SMALLER SIDE, LIKE BENNU.

83

00:02:30,626 --> 00:02:31,824

MOVING ON TO THE QUESTIONS.

84

00:02:31,824 --> 00:02:33,806

WHAT MADE YOU BECOME AN ASTRONAUT?

85

00:02:33,806 --> 00:02:35,852

HAVE YOU EVER SEEN AN ALIEN?

86

00:02:35,852 --> 00:02:37,156

WHEN YOU USE THE BATHROOM,

87

00:02:37,156 --> 00:02:38,593

WHEN YOU FLUSH THE TOILET

88

00:02:38,593 --> 00:02:39,539

WHERE DOES IT LEAD?

89

00:02:39,539 --> 00:02:42,882

HERE IS A FUTURE POET, FUTURE NOVELIST,

90

00:02:42,882 --> 00:02:43,893

ARTIST.

91

00:02:43,893 --> 00:02:46,561

WHO HAS WRITTEN A POEM.

92

00:02:46,561 --> 00:02:48,827

JUMP OFF MY BED AND INTO SPACE,

93

00:02:48,827 --> 00:02:51,416

STARS AND PLANETS ALL OVER THE PLACE.

94

00:02:51,416 --> 00:02:53,349

THERE'S THE MOON, THERE'S THE SUN,

95

00:02:53,349 --> 00:02:55,349

SPACE IS SO MUCH FUN.

96

00:02:55,349 --> 00:02:57,185

BUT GRAVITY PULLS ME BACK TO THE STATION.

97

00:02:57,185 --> 00:02:59,617

I WISH THIS WASN'T MY IMAGINATION.

98

00:02:59,617 --> 00:03:02,924

IT IS GOOD THAT GRAVITY PULLS US BACK

99

00:03:02,924 --> 00:03:03,424

TO SOMETHING.

100

00:03:04,119 --> 00:03:05,193

ESPECIALLY THE SPACE STATION,

101  
00:03:05,193 --> 00:03:06,705  
DON'T WANT TO GO FLOATING OFF INTO

102  
00:03:06,705 --> 00:03:07,520  
SPACE ANYWHERE.

103  
00:03:07,719 --> 00:03:09,399  
WE HAVE A SAFETY TETHER FOR THAT ACTUALLY.

104  
00:03:09,816 --> 00:03:10,894  
OH MY GOODNESS,

105  
00:03:10,894 --> 00:03:12,627  
WE GOT AN ASTRONAUT APPLICATION.

106  
00:03:12,627 --> 00:03:14,952  
THIS IS FROM ELISE BASHAM.

107  
00:03:14,952 --> 00:03:15,838  
AND IT SAYS, "WHY WOULD YOU LIKE

108  
00:03:15,838 --> 00:03:16,550  
TO BE AN ASTRONAUT?"

109  
00:03:16,550 --> 00:03:17,742  
BECAUSE I WANT TO SEE WHAT EARTH

110  
00:03:17,742 --> 00:03:19,450  
LOOKS LIKE ON THE OUTSIDE.

111  
00:03:20,085 --> 00:03:20,973  
THAT'S A GOOD GOAL.

112  
00:03:20,973 --> 00:03:22,748  
"WHY WILL YOU BE A GOOD ASTRONAUT?"

113  
00:03:22,748 --> 00:03:24,160

BECAUSE I LIKE SPACE.

114

00:03:24,160 --> 00:03:25,912

WELL ELISE, I THINK YOU MEET THE

115

00:03:25,912 --> 00:03:26,701

BASIC REQUIREMENTS.

116

00:03:26,701 --> 00:03:27,414

I'M GOING TO GO AHEAD AND PASS

117

00:03:27,414 --> 00:03:28,535

THIS ON TO OUR CHIEF ASTRONAUT

118

00:03:28,535 --> 00:03:30,465

FIRST QUESTION HERE IS FROM DEVIN

119

00:03:30,465 --> 00:03:32,011

AND HE WANTS TO KNOW,

120

00:03:32,011 --> 00:03:33,883

WHAT MY FAVORITE SPACESUIT IS?

121

00:03:33,883 --> 00:03:36,048

EACH SPACESUIT IS NEEDED FOR

122

00:03:36,048 --> 00:03:37,595

IT'S PARTICULAR JOB.

123

00:03:37,595 --> 00:03:40,265

JUST IN CASE THE CAPSULE THAT WE'RE IN

124

00:03:40,265 --> 00:03:41,797

HAS A LEAK OR SOMETHING,

125

00:03:41,797 --> 00:03:42,818

WE'RE PROTECTED.

126

00:03:42,818 --> 00:03:44,575

AND THAT'S A GOOD THING, CAUSE THAT'S

127

00:03:44,575 --> 00:03:46,285

WHAT SPACESUITS DO, THEY PROTECT US.

128

00:03:46,285 --> 00:03:48,152

WHEN WE GO UP AND DOWN EITHER ON THE

129

00:03:48,152 --> 00:03:49,198

SPACE SHUTTLE OR THE SOYUZ

130

00:03:49,198 --> 00:03:50,730

OR THE NEW SPACESHIPS COMING.

131

00:03:50,730 --> 00:03:51,560

WE HAVE TO WEAR A

132

00:03:51,560 --> 00:03:52,492

LAUNCH AND ENTRY SUIT.

133

00:03:52,492 --> 00:03:53,456

THE AMERICAN LAUNCH AND

134

00:03:53,456 --> 00:03:54,825

ENTRY SUIT IS CALLED "ACES"

135

00:03:54,825 --> 00:03:57,761

IT LOOKS LIKE THIS, AND IT'S ORANGE

136

00:03:57,761 --> 00:03:59,333

WE HAVE A BIG HELMET,

137

00:03:59,333 --> 00:04:00,830

AND IT'S PRETTY BIG.

138

00:04:00,830 --> 00:04:02,804

THE RUSSIAN, ON THE SOYUZ,

139

00:04:02,804 --> 00:04:03,850

THE RUSSIAN SPACESUIT

140

00:04:03,850 --> 00:04:05,123

CALLED "SOKOL,"

141

00:04:05,123 --> 00:04:07,659

IT IS A REALLY NEAT SPACESUIT

142

00:04:07,659 --> 00:04:08,865

IT'S A LOT LIGHTER-WEIGHT.

143

00:04:08,865 --> 00:04:11,039

AND IT FITS INTO THE COMPACT AREA

144

00:04:11,039 --> 00:04:12,533

THAT WE GET INSIDE THE

145

00:04:12,533 --> 00:04:14,843

RUSSIAN SOYUZ SPACECRAFT.

146

00:04:14,843 --> 00:04:16,102

IF WE DECIDE TO GO OUTSIDE,

147

00:04:16,102 --> 00:04:17,371

WE HAVE TO WEAR A

148

00:04:17,371 --> 00:04:18,665

SPACEWALKING SPACESUIT

149

00:04:18,665 --> 00:04:19,997

AND WE'VE GOT TWO DIFFERENT TYPES

150

00:04:19,997 --> 00:04:21,006

ABOARD THE SPACE STATION.

151  
00:04:21,006 --> 00:04:22,188  
ONE IS THE AMERICA

152  
00:04:22,188 --> 00:04:24,056  
EXTRAVEHICULAR MOBILITY UNIT

153  
00:04:24,056 --> 00:04:24,870  
OR, THE "EMU."

154  
00:04:24,870 --> 00:04:26,790  
YOU CAN SEE IT RIGHT HERE, IT'S WHITE.

155  
00:04:26,790 --> 00:04:28,357  
WE WEAR DIFFERENT COLOR STRIPES

156  
00:04:28,357 --> 00:04:31,665  
DEPENDING ON WHO'S THE EV-1 AND EV-2

157  
00:04:31,665 --> 00:04:33,158  
SO WE CAN TELL EACH OTHER APART

158  
00:04:33,158 --> 00:04:34,465  
BECAUSE WE ALL LOOK VERY SIMILAR

159  
00:04:34,465 --> 00:04:35,537  
IN THE SPACESUITS.

160  
00:04:35,537 --> 00:04:37,433  
AND THEN THE RUSSIANS HAVE AN "ORLAN"

161  
00:04:37,433 --> 00:04:39,828  
AND I HAD THE CHANCE TO GO IN A RUSSIAN SPACESUIT

162  
00:04:39,828 --> 00:04:41,803  
IT'S A LOT LIKE THE AMERICAN EMU

163  
00:04:41,803 --> 00:04:43,783

SO THOSE ARE 4 DIFFERENT SPACESUITS,

164

00:04:43,783 --> 00:04:44,780

PLUS THIS FLIGHT SUIT

165

00:04:44,780 --> 00:04:45,586

GREAT QUESTION

166

00:04:45,586 --> 00:04:47,591

THIS ONE'S ONE OF MY FAVORITES

167

00:04:47,591 --> 00:04:49,523

GIVES YOU AN IDEA OF HOW BIG OUR

168

00:04:49,523 --> 00:04:50,891

SPACESUITS REALLY ARE-THEY REALLY ARE.

169

00:04:50,891 --> 00:04:52,048

AND I THINK THIS ASTRONAUT IS ON

170

00:04:52,048 --> 00:04:53,596

AN ASTEROID, OR MAYBE THE MOON.

171

00:04:53,596 --> 00:04:55,305

EITHER WAY, THAT'S PRETTY COOL.

172

00:04:55,305 --> 00:04:56,753

ANYONE WHO WROTE ONE OF THESE

173

00:04:56,753 --> 00:04:57,718

FAN MAIL LETTERS

174

00:04:57,718 --> 00:04:58,970

FROM ELEMENTARY SCHOOL,

175

00:04:58,970 --> 00:05:00,385

THEY COULD BE THE ONE

176  
00:05:00,385 --> 00:05:01,354  
WALKING ON THE MOON OR

177  
00:05:01,354 --> 00:05:03,071  
WALKING ON AN ASTEROID SOME DAY.

178  
00:05:03,071 --> 00:05:04,159  
HOW LONG DOES IT TAKE

179  
00:05:04,159 --> 00:05:04,889  
TO GO BACK HOME?

180  
00:05:04,889 --> 00:05:06,418  
HOW LONG DOES THE FOOD LAST?

181  
00:05:06,418 --> 00:05:07,929  
WHAT DOES IT FEEL LIKE WHEN YOU'RE FLOATING?

182  
00:05:07,929 --> 00:05:09,905  
BYE. HOPE YOU ENJOYED WHAT YOU READ.

183  
00:05:09,905 --> 00:05:11,758  
SINCERELY, ELENA.

184  
00:05:11,758 --> 00:05:13,408  
I MEAN, DID THIS EVEN HAVE POSTAGE?

185  
00:05:13,408 --> 00:05:15,000  
OR DID THE POST OFFICE JUST BRING IT?

186  
00:05:15,000 --> 00:05:16,907  
IF YOU HAVE A MOMENT AND COULD SHARE

187  
00:05:16,907 --> 00:05:18,571  
YOUR ADVICE AS AN ASTRONAUT AND

188  
00:05:18,571 --> 00:05:20,000

## SUCCESSFUL WOMAN OF SCIENCE

189

00:05:20,000 --> 00:05:20,983

TO A YOUNG GIRL

190

00:05:20,983 --> 00:05:22,536

WHO CANNOT STOP TALKING ABOUT ALL

191

00:05:22,536 --> 00:05:24,095

THE EXPERIMENTS SHE WANTS TO

192

00:05:24,095 --> 00:05:25,776

CONDUCT WHEN SHE LANDS ON MARS,

193

00:05:25,776 --> 00:05:27,424

WE WOULD BE FOREVER GRATEFUL.

194

00:05:27,424 --> 00:05:30,400

WELL ELIANA, I WOULD SAY KEEP UP THAT

195

00:05:30,400 --> 00:05:32,048

EXCITEMENT. AND THE MOST IMPORTANT

196

00:05:32,048 --> 00:05:34,910

THING IS TO KEEP ASKING QUESTIONS.

197

00:05:34,910 --> 00:05:36,960

KEEP THAT CURIOSITY ALIVE,

198

00:05:36,960 --> 00:05:37,845

TO EXPLORE,

199

00:05:37,845 --> 00:05:38,804

TO STUDY,

200

00:05:38,804 --> 00:05:41,277

TO LEARN ABOUT SCIENCE, TECHNOLOGY,

201

00:05:41,277 --> 00:05:42,443

ENGINEERING, MATH,

202

00:05:42,443 --> 00:05:43,909

FOLLOW WHAT IT IS THAT YOU'RE PASSIONATE ABOUT.

203

00:05:43,909 --> 00:05:45,194

YOUR DREAMS CAN COME TRUE,

204

00:05:45,194 --> 00:05:46,558

I KNOW THAT FOR A FACT.

205

00:05:46,558 --> 00:05:48,032

GREETING ASTRONAUT EPPS,

206

00:05:48,469 --> 00:05:49,841

I AM A HIGH SCHOOL PHYSICS

207

00:05:49,841 --> 00:05:51,275

AND ASTRONOMY TEACHER

208

00:05:51,275 --> 00:05:52,625

AT RIDGE LINE HIGH SCHOOL

209

00:05:52,625 --> 00:05:54,024

I WOULD LIKE TO START A WALL OF

210

00:05:54,024 --> 00:05:55,423

ASTRONAUT PHOTOGRAPHS

211

00:05:55,423 --> 00:05:56,789

ADJACENT TO THE DISPLAY OF MY

212

00:05:56,789 --> 00:05:58,403

SPACE PATCH COLLECTION.

213

00:05:58,403 --> 00:05:59,620

AND SHE HAS A PHOTO OF ALL THE

214

00:05:59,620 --> 00:06:01,424

PATCHES THAT SHE HAS ON THE WALL

215

00:06:01,424 --> 00:06:03,471

WELL, EMMA, AS A SUPER TEACHER,

216

00:06:03,471 --> 00:06:05,586

YOU'RE CONTINUING TO

217

00:06:05,586 --> 00:06:07,398

INSPIRE THE YOUNGER GENERATION.

218

00:06:07,398 --> 00:06:08,922

I'D LIKE TO THANK YOU FOR YOUR WORK,

219

00:06:08,922 --> 00:06:10,382

THANK YOU FOR THE HARD

220

00:06:10,382 --> 00:06:11,201

TASK THAT YOU HAVE.

221

00:06:11,201 --> 00:06:12,647

WOOHOO TO TEACHERS,

222

00:06:12,647 --> 00:06:13,641

WOO WOO.

223

00:06:14,773 --> 00:06:16,681

DEAR ASTRONAUT DR. KIM,

224

00:06:16,681 --> 00:06:18,215

MY NAME IS GRACIE,

225

00:06:18,215 --> 00:06:19,431

I AM IN THE THIRD GRADE.

226

00:06:19,431 --> 00:06:20,897

I THOUGHT IT WAS FUNNY HOW YOU

227

00:06:20,897 --> 00:06:22,258

GOT CALLED IN THE GROCERY.

228

00:06:22,258 --> 00:06:25,009

IF I GOT CALLED THERE I WOULD GO CRAZY.

229

00:06:25,009 --> 00:06:26,349

WE WENT CRAZY TOO.

230

00:06:26,349 --> 00:06:27,856

I WAS IN THE GROCERY STORE

231

00:06:27,856 --> 00:06:28,584

WITH MY WIFE

232

00:06:28,584 --> 00:06:29,865

WHEN I GOT THE CALL

233

00:06:29,865 --> 00:06:31,085

FROM THE SELECTION COMMITTEE

234

00:06:31,085 --> 00:06:32,639

THAT I WAS SELECTED AS AN ASTRONAUT.

235

00:06:32,639 --> 00:06:34,462

AND IT WAS A VERY MEMORABLE TIME.

236

00:06:34,760 --> 00:06:35,957

HI MY NAME IS CAROLINE,

237

00:06:35,957 --> 00:06:36,811

I GO TO CHARLOTTE

238

00:06:36,811 --> 00:06:37,926

PREPARATORY SCHOOL.

239

00:06:37,926 --> 00:06:39,063

IN CHARLOTTE, NORTH CAROLINE

240

00:06:39,063 --> 00:06:40,087

DID YOU KNOW THAT MY

241

00:06:40,087 --> 00:06:41,076

MIDDLE NAME IS MCCLAIN?

242

00:06:42,975 --> 00:06:41,688

STOP!

243

00:06:42,975 --> 00:06:43,581

THAT IS-THAT

244

00:06:43,581 --> 00:06:45,815

STOP THE FILM, TRACK THIS GIRL DOWN,

245

00:06:45,815 --> 00:06:47,008

BRING HER TO NASA.

246

00:06:47,008 --> 00:06:48,379

YOUR MIDDLE NAME IS MCCLAIN,

247

00:06:48,379 --> 00:06:49,593

IT'S SPELLED THE SAME WAY.

248

00:06:50,000 --> 00:06:50,738

YOU GO TO CHARLOTTE

249

00:06:50,738 --> 00:06:51,396

PREPARATORY SCHOOL,

250

00:06:51,396 --> 00:06:52,726

CHARLOTTE'S MY MIDDLE NAME.

251

00:06:52,726 --> 00:06:54,268

AND YOU WROTE ME ON MY LAUNCH DAY.

252

00:06:54,268 --> 00:06:55,211

HOLY COW.

253

00:06:55,211 --> 00:06:58,697

AW, WHAT A BEAUTIFUL CARD.

254

00:06:58,697 --> 00:07:00,955

IT'S A UNICORN DOG.

255

00:07:01,610 --> 00:07:03,590

"YOU'RE MORE AMAZING THAN A DOGICORN."

256

00:07:03,590 --> 00:07:06,106

THAT IS QUITE A COMPLIMENT, JURY.

257

00:07:06,106 --> 00:07:08,132

THANK YOU SO MUCH, THIS IS BEAUTIFUL.

258

00:07:08,132 --> 00:07:10,169

LOOK AT THIS ONE, THIS IS SO COLORFUL AND PRETTY.

259

00:07:10,169 --> 00:07:12,718

THIS ONE IS EVEN ON BOTH SIDES,

260

00:07:12,718 --> 00:07:14,358

LOOK. AND IT HAS ALL THE PLANETS.

261

00:07:14,358 --> 00:07:15,762

DOES IT HAVE PLUTO THERE?

262

00:07:15,762 --> 00:07:18,584

AH YEAH, THERE'S PLUTO AT THE BOTTOM.

263

00:07:18,584 --> 00:07:21,050

WE'VE GOT SOME REAL ARTISTS OUT THERE.

264

00:07:21,050 --> 00:07:24,179

THIS IS LUCAS, THIRD GRADE.

265

00:07:24,179 --> 00:07:25,325

DID A GREAT JOB OF

266

00:07:25,325 --> 00:07:27,490

DEPICTING OUR ENTIRE SOLAR SYSTEM.

267

00:07:27,490 --> 00:07:30,427

I LOVE IT BECAUSE PLUTO IS STILL THERE.

268

00:07:30,427 --> 00:07:33,302

IS PLUTO A PLANET, OR DID PLUTO EXPLODE?

269

00:07:33,540 --> 00:07:35,878

AS FAR AS I KNOW, PLUTO HAS NOT EXPLODED.

270

00:07:36,483 --> 00:07:37,182

I THINK THAT'S IT!

271

00:07:37,182 --> 00:07:38,815

THANK YOU SO MUCH FOR THE FAN MAIL,

272

00:07:38,815 --> 00:07:39,795

IT MEANS A LOT TO US.

273

00:07:39,795 --> 00:07:40,955

THANK YOU EVERYONE,

274

00:07:40,955 --> 00:07:42,038

FOR YOUR LETTERS.

275

00:07:42,038 --> 00:07:42,947

I AM SO THANKFUL

276

00:07:42,947 --> 00:07:44,058

THAT EVERYBODY TOOK THE TIME TO

277

00:07:44,058 --> 00:07:45,127

WRITE ME ON THIS THANKSGIVING

278

00:07:45,127 --> 00:07:46,149

AND IT'S GOING TO TAKE ME

279

00:07:46,149 --> 00:07:46,765

FOREVER TO GO THROUGH ALL OF THESE,

280

00:07:46,765 --> 00:07:48,172

AND I LOVE IT. THANK YOU!

281

00:07:48,172 --> 00:07:49,122

THANKS FOR THE LETTERS,

282

00:07:49,122 --> 00:07:50,553

THANKS FOR ALL THE QUESTIONS.

283

00:07:50,553 --> 00:07:51,276

KEEP THEM COMING,

284

00:07:51,276 --> 00:07:52,288

WE LOVE IT, WE LOVE IT.

285

00:07:53,777 --> 00:07:56,671

IT IS SO NICE TO SEE ALL OF THIS FAN MAIL

286

00:07:56,671 --> 00:07:58,200

AND TO KNOW THAT EVERYBODY IS

287

00:07:58,200 --> 00:07:59,411

THINKING ABOUT US HERE AT

288

00:07:59,411 --> 00:08:01,851

NASA, ESPECIALLY DURING THE HOLIDAYS.

289

00:08:01,851 --> 00:08:03,609

FROM THE ENTIRE ASTRONAUT CORPS,

290

00:08:03,609 --> 00:08:04,633

HAPPY THANKSGIVING.

291

00:08:06,926 --> 00:08:05,513

HAPPY THANKSGIVING

292

00:08:06,926 --> 00:08:08,178

HAVE A HAPPY HOLIDAY

293

00:08:08,178 --> 00:08:09,383

AND HAPPY THANKSGIVING.

294

00:08:09,383 --> 00:08:10,721

HAPPY THANKSGIVING.

295

00:08:10,721 --> 00:08:12,020

HAPPY THANKSGIVING,

296

00:08:12,020 --> 00:08:13,374

THANKS FOR THE MAIL,

297

00:08:13,374 --> 00:08:14,329

AND KEEP IT COMING.

298

00:08:14,329 --> 00:08:15,534

HAPPY THANKSGIVING FROM

299

00:08:15,534 --> 00:08:16,792

JOHNSON SPACE CENTER EVERYBODY.

300

00:08:16,911 --> 00:08:17,671

[MUSIC]

301  
00:08:23,353 --> 00:08:24,316  
BY THE WAY,

302  
00:08:24,316 --> 00:08:26,169  
WE JUST GOT TO 1 MILLION,

303  
00:08:26,169 --> 00:08:29,026  
1 MILLION FOLLOWERS ON TWITTER.

304  
00:08:29,026 --> 00:08:30,232  
COULDN'T DO IT WITHOUT YOU.

305  
00:08:30,232 --> 00:08:31,922  
TWEET US YOUR FAN MAIL QUESTIONS

306
