books so i can't choose just one i don't

19

00:00:57,029 --> 00:00:55,680

have any i read a lot of books and i

20

00:00:58,790 --> 00:00:57,039

think if i had a favorite one i would

21

00:01:00,069 --> 00:00:58,800

stop reading but like every new one is

22

00:01:01,510 --> 00:01:00,079

my favorite book and that's what i keep

i've been here long enough not falling

27

00:01:16,149 --> 00:01:12,880

for it the moonwalk easy but not really

28

00:01:18,550 --> 00:01:16,159

that's the single ladies choreography

29

00:01:20,390 --> 00:01:18,560

the 90s were pretty great that's when i

30

00:01:22,149 --> 00:01:20,400

fell in love got married that's when i

31

00:01:23,990 --> 00:01:22,159

was in college and the music was really

32

00:01:25,830 --> 00:01:24,000

great kids were born in the 90s i had

33

00:01:28,149 --> 00:01:25,840

some great jobs of flying apache

34

00:01:30,069 --> 00:01:28,159

helicopters and jumping out airplanes

35

00:01:34,310 --> 00:01:30,079

every day kid is the one we're in i

36

00:01:39,109 --> 00:01:37,190

mean drivers inefficiency i don't have

37

00:01:41,749 --> 00:01:39,119

anything

38

00:01:43,990 --> 00:01:41,759

nothing bothers me

39

00:01:45,749 --> 00:01:44,000

i do have a superpower is to make kids

40

00:01:47,749 --> 00:01:45,759

happy sometimes you know they want a

41

00:01:49,109 --> 00:01:47,759

selfie or an autograph and you make them

42

00:01:51,510 --> 00:01:49,119

happy and i think it's a really cool

43

00:01:52,550 --> 00:01:51,520

super power to have to fly i would have

44

00:01:56,469 --> 00:01:52,560

to say

45

00:01:58,550 --> 00:01:56,479

fly flying obviously

46

00:02:00,709 --> 00:01:58,560

rum comes i never watch movies but

47

00:02:03,749 --> 00:02:00,719

sometimes when i do i end up with you

48

00:02:06,069 --> 00:02:03,759

know feel good happy ending love stories

49

00:02:09,990 --> 00:02:06,079

ice cream uh well chocolate but i don't

50

00:02:14,150 --> 00:02:12,070

parent being a parent parent for sure

51

00:02:15,110 --> 00:02:14,160

it's not even close

52

00:02:17,510 --> 00:02:15,120

my wife

53

00:02:19,430 --> 00:02:17,520

friends and families my husband i'd say

54

00:02:21,350 --> 00:02:19,440

my partner in life she's the funniest

55

00:02:24,229 --> 00:02:21,360

person in the world

56

00:02:25,670 --> 00:02:24,239

my dad amanda gorman i think my parents

57

00:02:27,670 --> 00:02:25,680

are really normal people who takes

58

00:02:29,750 --> 00:02:27,680

responsibilities at the local level and

59

00:02:33,830 --> 00:02:29,760

try to do the good things

60

00:02:36,229 --> 00:02:33,840

coffee tea coffee definitely tea

61

00:02:37,830 --> 00:02:36,239

build a sand castle i think i'd uh hop

62

00:02:40,309 --> 00:02:37,840

on a rover and go cruising around all

63

00:02:42,309 --> 00:02:40,319

day look for footprints probably do

64

00:02:44,470 --> 00:02:42,319

backflips i was on a parabolic flight

65

00:02:46,550 --> 00:02:44,480

with mars gravity and moon gravity i can

66

00:02:47,990 --> 00:02:46,560

do a double backflip in moon gravity but

67

00:02:50,150 --> 00:02:48,000

i'm not quite sure on mars but i would

68

00:02:51,910 --> 00:02:50,160

try it

69

00:02:54,630 --> 00:02:51,920

i think it's russian language and one of

70

00:02:55,910 --> 00:02:54,640

my former crewmates told me for russian

71

00:02:57,030 --> 00:02:55,920

language the first 10 years are the

72

00:02:58,149 --> 00:02:57,040

hardest so i think that's pretty

73

00:03:00,869 --> 00:02:58,159

accurate

74

00:03:03,430 --> 00:03:00,879

i think the volume and the variety is

75

00:03:05,670 --> 00:03:03,440

what makes it hard but that's also what

76

00:03:06,949 --> 00:03:05,680

makes it great

77

00:03:08,070 --> 00:03:06,959

sugar

78

00:03:13,270 --> 00:03:08,080

i do

79

00:03:25,190 --> 00:03:13,280

but i cannot tell you what it is and and
