THOMAS MARSHBURN

KAYLA BARRON

RAJA CHARI

MATTHIAS MAURER

1
00:00:00,000 --> 00:00:11,509
[Music]

2
00:00:15,110 --> 00:00:13,589
raja is super fast

3
00:00:18,150 --> 00:00:15,120
at analysis

4
00:00:21,109 --> 00:00:18,160
uh funny caring and competent

5
00:00:23,109 --> 00:00:21,119
and he's a super talented super skilled

6
00:00:25,509 --> 00:00:23,119
a lot of fun to work with

7
00:00:26,630 --> 00:00:25,519
tom marshburn i would say creative

8
00:00:29,589 --> 00:00:26,640
and a teacher

9
00:00:30,790 --> 00:00:29,599
silent quiet part but with a lot of

10
00:00:32,069 --> 00:00:30,800
experience

11
00:00:33,830 --> 00:00:32,079
wise

12
00:00:35,190 --> 00:00:33,840
kayla is a great communicator

13
00:00:37,030 --> 00:00:35,200

perspicacious

14

00:00:39,750 --> 00:00:37,040

so much experience being in confined

15

00:00:42,069 --> 00:00:39,760

environment keeping calm mathias is a

16

00:00:43,270 --> 00:00:42,079

constant innovator inventive

17

00:00:45,910 --> 00:00:43,280

innovative

18

00:00:49,750 --> 00:00:45,920

the funniest uh must be grinder

19

00:00:52,229 --> 00:00:49,760

that's raja grinder roger

20

00:00:53,910 --> 00:00:52,239

tom's like kind of he doesn't talk about

21

00:00:55,510 --> 00:00:53,920

it a lot but he's done a lot of crazy

22

00:00:58,790 --> 00:00:55,520

mountain climbing tom marshburn is the

23

00:01:00,850 --> 00:00:58,800

most adventurous good question ts

24

00:01:03,310 --> 00:01:00,860

uh i think that would be me

25

00:01:05,670 --> 00:01:03,320

[Music]

26

00:01:08,230 --> 00:01:05,680

primarily looking out the window with

27

00:01:10,230 --> 00:01:08,240

each of them individually and

28

00:01:13,190 --> 00:01:10,240

just doing stupid human tricks together

29

00:01:15,590 --> 00:01:13,200

enjoying the time of work watching down

30

00:01:17,510 --> 00:01:15,600

towards our beautiful planet and just

31

00:01:18,950 --> 00:01:17,520

sharing our dream probably hanging out

32

00:01:20,870 --> 00:01:18,960

in the cupola and just looking down on

33

00:01:22,870 --> 00:01:20,880

the earth i think coming up with some

34

00:01:26,789 --> 00:01:22,880

crazy concoctions made up of expired

35

00:01:28,710 --> 00:01:26,799

food that we turn into a smorgasbord

36

00:01:30,149 --> 00:01:28,720

i think kayla might win if we span it

37

00:01:32,230 --> 00:01:30,159

out over time because she has the

38

00:01:34,469 --> 00:01:32,240

ability to sustain snacks for a very

39

00:01:36,310 --> 00:01:34,479

long period of time it's like kayla

40

00:01:37,429 --> 00:01:36,320

loves a big breakfast

41

00:01:39,590 --> 00:01:37,439

probably

42

00:01:41,670 --> 00:01:39,600

me or grinder

43

00:01:43,190 --> 00:01:41,680

unfortunately

44

00:01:45,270 --> 00:01:43,200

probably kayla

45

00:01:46,789 --> 00:01:45,280

kayla kayla

46

00:01:53,830 --> 00:01:46,799

probably

47

00:01:55,270 --> 00:01:53,840

thinking

48

00:01:57,270 --> 00:01:55,280

i think i've started having more inner

49

00:01:59,429 --> 00:01:57,280

monologues or things i'm saying under my

50

00:02:00,950 --> 00:01:59,439

breath that i got from tom marshburn i

51

00:02:02,950 --> 00:02:00,960

should ask them that

52

00:02:04,709 --> 00:02:02,960

let me know what they say

53

00:02:08,360 --> 00:02:04,719

probably

54

00:02:17,589 --> 00:02:08,370

that's me

55

00:02:20,170 --> 00:02:17,599
