

1
00:00:10,459 --> 00:00:07,039
2000 feet commander Scott Altman

2
00:00:13,430 --> 00:00:10,469
beginning to flare out the vehicle pitch

3
00:00:19,010 --> 00:00:13,440
the nose up as the approaches runway 22

4
00:00:39,040 --> 00:00:19,020
from the Northeast 300 feet landing gear

5
00:00:39,050 --> 00:00:51,050
main gear touchdown

6
00:00:57,830 --> 00:00:55,340
nose gear touchdown space shuttle

7
00:01:00,740 --> 00:00:57,840
Atlantis is rolling out on runway 22 at

8
00:01:02,660 --> 00:01:00,750
edwards air force base completing 197

9
00:01:04,790 --> 00:01:02,670
orbits of the earth while traveling five

10
00:01:07,190 --> 00:01:04,800
million two hundred seventy six thousand

11
00:01:08,780 --> 00:01:07,200
miles this landing marks the 53rd

12
00:01:11,600 --> 00:01:08,790
shuttle mission to end at Edwards Air

13
00:01:12,800 --> 00:01:11,610

Force Base Atlanta spent seven days

14

00:01:15,860 --> 00:01:12,810

servicing the Hubble Space Telescope

15

00:01:19,520 --> 00:01:15,870

that included five spacewalks tolling a

16

00:01:22,100 --> 00:01:19,530

record 37 hours Atlantis has completed

17

00:01:24,859 --> 00:01:22,110

his 30th mission in the 126th in the

18

00:01:26,960 --> 00:01:24,869

history of the space shuttle program the

19

00:01:29,330 --> 00:01:26,970

hubble space telescope's final servicing

20

00:01:52,670 --> 00:01:29,340

mission is complete but its mission of

21

00:02:00,990 --> 00:01:57,410

Houston Atlantis will stop Edwards 22

22

00:02:04,499 --> 00:02:01,000

welcome home Atlantis congratulations on

23

00:02:07,380 --> 00:02:04,509

a very successful mission giving Hubble

24

00:02:11,900 --> 00:02:07,390

a new set of eyes that will continue to

25

00:02:17,910 --> 00:02:15,000

thank you Houston it was a thrill from

26

00:02:20,550 --> 00:02:17,920

start to finish we've had a great ride

27

00:02:23,100 --> 00:02:20,560

it took a whole team across the country
