external tank separation confirmed

2
00:00:13,940 --> 00:00:11,269
discovery now in its preliminary orbit

3
00:00:15,829 --> 00:00:13,950
you can see the flash photography as

4
00:00:19,370 --> 00:00:15,839
discovery fades away from the camera

5
00:00:22,340 --> 00:00:19,380
view good maneuver being commanded by

6
00:00:23,990 --> 00:00:22,350
Rick sturckow manoeuvring discovery so

7
00:00:25,730 --> 00:00:24,000
that those cameras embedded in the

8
00:00:27,740 --> 00:00:25,740
umbilical well can perform that flash
