

ASST. LAUNCH DIRECTOR

The image shows a control room with a curved wooden console. Two people are seated at the console, each with a nameplate. The person on the left is a woman with blonde hair, and the person on the right is a man in a dark suit. They are both looking at computer monitors. The man's nameplate reads 'LAUNCH DIRECTOR'. A third person, a man in a grey suit and tie, is standing to the right of the console, looking down at a handheld device. The background features a complex structure of grey metal beams and panels, suggesting a high-tech or industrial environment.
