

1  
00:00:04,400 --> 00:00:02,270  
yeah this is CJ sent in some sort of a

2  
00:00:06,550 --> 00:00:04,410  
message I'm not sure what it is that I'm

3  
00:00:09,530 --> 00:00:06,560  
sure somebody appreciated absolutely

4  
00:00:11,030 --> 00:00:09,540  
anyways that code for someone that's he

5  
00:00:13,190 --> 00:00:11,040  
knows that these guys all know each

6  
00:00:14,330 --> 00:00:13,200  
other pretty well and you know it's a

7  
00:00:15,440 --> 00:00:14,340  
hard thing to get strapped into the

8  
00:00:17,779 --> 00:00:15,450  
vehicle it's a hard thing to strap

9  
00:00:23,320 --> 00:00:17,789  
people in these cameras definitely

10  
00:00:33,140 --> 00:00:26,210  
there's Nicole final message I would

11  
00:00:35,660 --> 00:00:33,150  
imagine to her family we see pilot Kevin

12  
00:00:41,910 --> 00:00:35,670  
Ford is being assisted here in the white

13  
00:00:49,010 --> 00:00:44,350

and we see Danny Olivas is in the way

14

00:00:54,620 --> 00:00:51,560

and Pat Forrester has entered the white

15

00:01:04,939 --> 00:00:58,430

and Krista is being fitted ready to

16

00:01:10,990 --> 00:01:09,289

now he Jose yeah a big wave none to me

17

00:01:14,149 --> 00:01:11,000

this always a very funny view to see

18

00:01:16,880 --> 00:01:14,159

because you know again the orbiter is

19

00:01:19,660 --> 00:01:16,890

you know nose nose pointed towards us

20

00:01:23,510 --> 00:01:19,670

this guy ready for launch
