

1
00:01:14,760 --> 00:01:11,429
alright Wow with the crew of sts-128 a

2
00:01:18,060 --> 00:01:14,770
space shuttle Discovery we're very happy

3
00:01:19,740 --> 00:01:18,070
to be back on land here in California we

4
00:01:22,319 --> 00:01:19,750
wish we could have gone to a Florida

5
00:01:24,690 --> 00:01:22,329
today got to see our families down there

6
00:01:27,870 --> 00:01:24,700
but it just didn't work out with the

7
00:01:30,120 --> 00:01:27,880
weather the crews doing great you can

8
00:01:31,859 --> 00:01:30,130
see them there behind me tim kopra

9
00:01:34,070 --> 00:01:31,869
unfortunately could not join us on this

10
00:01:36,560 --> 00:01:34,080
walk around he's doing some medical

11
00:01:38,580 --> 00:01:36,570
science experiments so he's

12
00:01:41,370 --> 00:01:38,590
participating in those right at this

13
00:01:43,230 --> 00:01:41,380

time discovery was a really great

14

00:01:45,419 --> 00:01:43,240

vehicle on this mission it performed

15

00:01:47,460 --> 00:01:45,429

flawlessly thanks to all the folks at

16

00:01:50,219 --> 00:01:47,470

the Kennedy Space Center who prepared

17

00:01:52,289 --> 00:01:50,229

that vehicle also thanks to all of our

18

00:01:54,719 --> 00:01:52,299

instructors in Houston who trained us to

19

00:01:56,639 --> 00:01:54,729

do this mission and to all the folks

20

00:01:59,219 --> 00:01:56,649

working in the Mission Control Center in

21

00:02:00,539 --> 00:01:59,229

Houston it was a great mission we're

22

00:02:03,029 --> 00:02:00,549

looking forward to getting back to

23

00:02:04,230 --> 00:02:03,039

Houston for the debriefs and we just
