

DANGER HIGH VOLTAGE
DO NOT TOUCH

HR-20

1
00:00:07,760 --> 00:00:05,570
in preparation for liftoff of space

2
00:00:10,250 --> 00:00:07,770
shuttle Atlantis on the sts-129 mission

3
00:00:12,350 --> 00:00:10,260
the six-member crew returned to NASA's

4
00:00:14,390 --> 00:00:12,360
Kennedy Space Center in Florida to

5
00:00:15,680 --> 00:00:14,400
finish pre-launch training officially

6
00:00:18,710 --> 00:00:15,690
known as the terminal countdown

7
00:00:20,480 --> 00:00:18,720
demonstration test during an earlier

8
00:00:23,570 --> 00:00:20,490
visit the astronauts practice driving

9
00:00:25,870 --> 00:00:23,580
the m113 armored personnel carriers as

10
00:00:28,550 --> 00:00:25,880
part of their emergency escape training

11
00:00:30,500 --> 00:00:28,560
they rehearsed evacuation procedures at

12
00:00:32,179 --> 00:00:30,510
launch pad 39a for space shuttle

13
00:00:35,030 --> 00:00:32,189

Atlantis is undergoing launch

14

00:00:36,889 --> 00:00:35,040

preparations crewmembers had an

15

00:00:38,690 --> 00:00:36,899

opportunity for a final fit check of

16

00:00:41,060 --> 00:00:38,700

their familiar orange launch and entry

17

00:00:43,040 --> 00:00:41,070

suits and a chance to answer questions

18

00:00:45,190 --> 00:00:43,050

from media representatives who gathered

19

00:00:47,779 --> 00:00:45,200

for a news conference at the launch pad

20

00:00:49,160 --> 00:00:47,789

the centrepiece of the crews most recent

21

00:00:51,830 --> 00:00:49,170

training was a launch dress rehearsal

22

00:00:54,619 --> 00:00:51,840

and practice countdown with the look and

23

00:00:56,360 --> 00:00:54,629

feel of a real launch day the astronauts

24

00:00:58,369 --> 00:00:56,370

also got a chance to check the missions

25

00:01:01,459 --> 00:00:58,379

payload stowed inside the shuttles cargo

26

00:01:03,529 --> 00:01:01,469

bay this sets the stage for Atlantis and

27

00:01:06,320 --> 00:01:03,539

crew to fly an 11-day mission to the

28

00:01:08,270 --> 00:01:06,330

International Space Station with the

29

00:01:09,590 --> 00:01:08,280

exercises behind them the astronauts

30

00:01:11,870 --> 00:01:09,600

will continue training at their home

31

00:01:14,000 --> 00:01:11,880

base NASA's Johnson Space Center in
