

1
00:00:07,610 --> 00:00:03,320
and commander of the discovery as Alan

2
00:00:09,890 --> 00:00:07,620
Poindexter here he's a Navy captain and

3
00:00:12,980 --> 00:00:09,900
he's on his second flight here you're

4
00:00:16,189 --> 00:00:12,990
seeing him get into a harness this

5
00:00:18,650 --> 00:00:16,199
harness will hook into his parachute we

6
00:00:22,429 --> 00:00:18,660
have emergency survival equipment inside

7
00:00:25,009 --> 00:00:22,439
that harness we now have a view inside

8
00:00:26,900 --> 00:00:25,019
the space shuttle Discovery and you also

9
00:00:29,529 --> 00:00:26,910
heard that the commander is on board

10
00:00:32,209 --> 00:00:29,539
that call was from the closeout crew

11
00:00:35,600 --> 00:00:32,219
letting the launch control center team

12
00:00:38,330 --> 00:00:35,610
know that commander Poindexter is on

13
00:00:41,569 --> 00:00:38,340

board and now we see mission specialist

14

00:00:43,970 --> 00:00:41,579

clay Anderson and you see clay checking

15

00:00:47,990 --> 00:00:43,980

out all of his equipment and his gear

16

00:00:50,360 --> 00:00:48,000

there okay and so we have clay Anderson

17

00:00:54,650 --> 00:00:50,370

on board and now we've got a view of our

18

00:00:58,160 --> 00:00:54,660

pilot jim dutton in your view right now

19

00:01:03,590 --> 00:00:58,170

i on the closer part of the view you see

20

00:01:05,840 --> 00:01:03,600

stephanie wilson yep Stephanie's making

21

00:01:12,350 --> 00:01:05,850

her third space flight she flew an

22

00:01:14,740 --> 00:01:12,360

sts-121 first and sts-120 second back in

23

00:01:17,030 --> 00:01:14,750

the white room with rick mastracchio

24

00:01:19,520 --> 00:01:17,040

this will be his third flight he's

25

00:01:20,960 --> 00:01:19,530

mission specialist number one and he and

26

00:01:22,580 --> 00:01:20,970

clay Anderson will be conducting all

27

00:01:27,380 --> 00:01:22,590

three of the spacewalks on the mission

28

00:01:31,569 --> 00:01:27,390

and there's now go she has a sign for

29

00:01:35,929 --> 00:01:31,579

her loved ones as well and a big go

30

00:01:39,740 --> 00:01:35,939

sts-131 there's dottie

31

00:01:42,319 --> 00:01:39,750

metcalf-lindenburger she is a rookie she

32

00:01:44,120 --> 00:01:42,329

is one of three former school teachers

33

00:01:48,380 --> 00:01:44,130

selected as mission specialists in the

34

00:01:50,630 --> 00:01:48,390

2004 educator astronaut class although

35

00:01:55,609 --> 00:01:50,640

this is a dark view and the very center

36

00:01:58,429 --> 00:01:55,619

of your view right now is Dottie or ms2

37

00:02:00,679 --> 00:01:58,439

sitting in her seat and they're working

38

00:02:03,410 --> 00:02:00,689

to fasten all of her seat belts and
