

1  
00:00:04,340 --> 00:00:01,910  
this is shuttle launch control we are

2  
00:00:06,920 --> 00:00:04,350  
now taking live pictures of Discovery's

3  
00:00:09,350 --> 00:00:06,930  
astronauts in the crew quarters of the

4  
00:00:12,230 --> 00:00:09,360  
operations check-out building as they

5  
00:00:15,350 --> 00:00:12,240  
are getting into their orange launch and

6  
00:00:19,330 --> 00:00:15,360  
entry suits and preparing for their trip

7  
00:00:24,820 --> 00:00:19,340  
out to the pad its pilot jim dutton

8  
00:00:29,179 --> 00:00:24,830  
being assisted with his orange aces suit

9  
00:00:33,459 --> 00:00:29,189  
getting the gloves on mission specialist

10  
00:00:41,260 --> 00:00:33,469  
1 rick mastracchio looking at ease

11  
00:00:44,660 --> 00:00:41,270  
confident and ready to fly today and

12  
00:00:46,850 --> 00:00:44,670  
clay anderson mission specialist number

13  
00:00:53,900 --> 00:00:46,860

5 a veteran of the long-duration space

14

00:00:56,150 --> 00:00:53,910  
station flight getting ready for his

15

00:00:58,900 --> 00:00:56,160  
mission he'll be one of two space

16

00:01:02,599 --> 00:00:58,910  
walkers along with rick mastracchio on

17

00:01:06,230 --> 00:01:02,609  
sts-131 mission specialist number 3

18

00:01:11,750 --> 00:01:06,240  
stephanie wilson she's a veteran of two

19

00:01:15,140 --> 00:01:11,760  
space flights sts-121 and sts-120 thumbs

20

00:01:17,539 --> 00:01:15,150  
up she's ready to go and our japan

21

00:01:20,780 --> 00:01:17,549  
aerospace exploration agency astronaut

22

00:01:26,090 --> 00:01:20,790  
naoko yamazaki a big wave for the

23

00:01:28,910 --> 00:01:26,100  
cameras and a thumbs up she's one of

24

00:01:31,370 --> 00:01:28,920  
three discovery women astronauts will be

25

00:01:34,999 --> 00:01:31,380  
joining a female aboard the

26

00:01:38,170 --> 00:01:35,009

International Space Station there's

27

00:01:44,899 --> 00:01:40,490

she's mission specialist number two

28

00:01:46,310 --> 00:01:44,909

making her first spaceflight she's a

29

00:01:49,280 --> 00:01:46,320

former high school science teacher

30

00:01:52,520 --> 00:01:49,290

turned astronaut and she looks very

31

00:01:55,039 --> 00:01:52,530

excited and we see the astronauts for

32

00:01:57,560 --> 00:01:55,049

Discovery's sts-131 mission waving at

33

00:01:59,209 --> 00:01:57,570

the camera excited to be heading towards

34

00:02:00,830 --> 00:01:59,219

the elevator that means they'll be on

35

00:02:06,250 --> 00:02:00,840

their way out to the launch pad aboard

36

00:02:24,190 --> 00:02:06,260

the Astro van shortly several

37

00:02:29,300 --> 00:02:26,600

over a hundred news video wait the
