George Diller/STS-132 Launch
Commentator: And our Commander Ken
Ham,

3
00:00:03,350 --> 00:00:07,550

being assisted with his launch-and-entry suit prior to boarding

4
00:00:11,140 --> 00:00:18,406

Atlantis to be our first crew member aboard
today. And here we see our commander
being seated in the cockpit.

5
00:00:20,840 --> 00:00:28,106

He'll be followed by Mission Specialist 3
Steve Bowen in just a moment. And Mission Specialist 3 Steve Bowen,

6
00:00:30,940 --> 00:00:38,206

being assisted with his launch-and-entry suit. Steve Bowen now confirmed to be aboard Atlantis at this time.

7
00:00:41,900 --> 00:00:47,766

Tony Antonelli, our pilot, will be boarding next. Piers Sellers is Mission Specialist 4,

8
00:00:59,430 --> 00:01:05,296

and he's in the suit-up room now, getting ready for his entry into the crew compartment.

9
00:01:14,630 --> 00:01:19,763

Next to board, he's Mission Specialist 1
(Garrett Reisman) aboard Atlantis on

10
00:01:21,350 --> 00:01:25,616

STS-132, and he will also be doing two
spacewalks, EVAs 1 and 3.

11
00:01:34,340 --> 00:01:37,119

Ricky Arnold/NASA Astronaut: Mike Good, who you'll hear called 'Bueno' on the loops during the mission,

12

00:01:37,120 --> 00:01:43,986

he's working on his parachute right now in front of us. And Mike Good coming into view in the MS2 seat.
