

1
00:00:00,000 --> 00:00:01,000

\h

2
00:00:01,050 --> 00:00:04,209

George Diller/STS-132 Launch Commentator: This is Shuttle Launch Control at T-3 hours and holding.

3
00:00:04,210 --> 00:00:05,410

We're entering the suit-up room now at the astronaut quarters in the Operations and Checkout Building.

4
00:00:09,810 --> 00:00:15,476

Here's our Commander Ken Ham, who has spent 13 days in space aboard Discovery on 124.

5
00:00:16,790 --> 00:00:24,590

Here's our Pilot Tony Antonelli, this is his second trip into space, having flown as a pilot on 119 aboard Discovery.

6
00:00:25,250 --> 00:00:31,516

which delivered a space station integrated truss segment and a pair of solar-generating wings.

7
00:00:32,410 --> 00:00:39,476

Going over now to Garrett Reisman, MS1 aboard Atlantis on STS-132. He'll be performing spacewalks 1 and 3.

8
00:00:41,010 --> 00:00:42,126

He holds a PhD in mechanical engineering and spent three months in space aboard the International Space Station.

9
00:00:47,360 --> 00:00:47,580

And here is Steve Bowen, he's the first-ever submarine officer selected by NASA to be an astronaut.

10
00:00:53,740 --> 00:00:58,606

He's Mission Specialist 3 and will be doing two spacewalks, EVAs 1 and 2.

11
00:00:59,800 --> 00:01:04,400

This is his second spaceflight, having flown previously on Endeavour.

12
00:01:05,980 --> 00:01:12,913

Piers Sellers, this is his third spaceflight, having flown STS-112 on Atlantis and 121 aboard Discovery.

13

00:01:15,850 --> 00:01:22,250

He's logged 41 EVA hours in six spacewalks. And Michael Good, making his second trip into space,

14

00:01:25,300 --> 00:01:31,766

having served as Mission Specialist 2 on this mission. He'll be doing spacewalks on EVAs 2 and 3.

15

00:01:35,960 --> 00:01:42,360

And here comes our STS-132 Atlantis crew, leaving the suit-up room, headed now for the elevator.

16

00:02:01,690 --> 00:02:07,956

And a bunch of the astronaut support personnel in the O&C giving them a goodbye as they leave.

17

00:02:14,260 --> 00:02:15,260

(Cheers)

18

00:02:16,660 --> 00:02:23,126

George Diller/STS-132 Launch

Commentator: And here they come.

Kennedy Space Center employees are

19

00:03:03,310 --> 00:03:07,976

always invited to wish the crew well as they leave for the launch pad.
