

1

00:00:05,880 --> 00:00:12,300

\h Kyle Herring/Mission Control: Two thousand feet. Commander Scott Altman beginning to flare out the v

2

00:00:12,300 --> 00:00:19,240

\h pitch the nose up as he approaches Runway 22 from the northeast.

3

00:00:19,240 --> 00:00:57,180

\h Three hundred feet. Landing gear down. Main gear touchdown. Nose gear touchdown.

4

00:00:57,180 --> 00:01:01,500

\h Space shuttle Atlantis is rolling out on Runway 22 at Edwards Air Force Base, completing

5

00:01:01,500 --> 00:01:07,860

\h 197 orbits of the Earth while traveling 5,276,000 miles.

6

00:01:07,860 --> 00:01:12,350

\h This landing marks the 53rd shuttle mission to end at Edwards Air Force Base.

7

00:01:12,350 --> 00:01:20,710

\h Atlantis spent seven days servicing the Hubble Space Telescope that included five spacewalks, totaling

8

00:01:20,710 --> 00:01:26,810

\h Atlantis has completed its 30th mission and the 126th in the history of the Space Shuttle Program.

9

00:01:26,810 --> 00:01:55,230

\h The Hubble Space Telescope's final servicing mission is complete, but its mission of discovery is just be

10

00:01:55,230 --> 00:01:59,970

\h Scott Altman/STS-125 Commander: Houston, Atlantis. Wheelstop, Edwards 22.

11

00:01:59,970 --> 00:02:05,700

\h Gregory H. Johnson/CAPCOM: Welcome home, Atlantis. Congratulations on a very successful mission

12

00:02:05,700 --> 00:02:14,700

\h giving Hubble a new set of eyes that will continue to expand our knowledge of the universe.
