

1

00:00:05,870 --> 00:00:38,110

\h Kelly Humphries/Landing Commentator: Speed 350 mph. Altitude 2,000 feet. Landing gear down. Gear

2

00:00:38,110 --> 00:00:53,440

\h Touchdown. While they approach, flying drag chute that will help slow Endeavour on the runway.

3

00:00:53,440 --> 00:01:06,660

\h Nose gear touchdown. Final wheel for Endeavour's home improvement to the

4

00:01:06,660 --> 00:01:11,210

\h International Space Station mission is now complete. 124th space shuttle mission,

5

00:01:11,210 --> 00:01:34,590

\h 27th shuttle mission to the station and the 22nd mission for Endeavour.

6

00:01:34,590 --> 00:01:37,170

\h Chris Ferguson/STS-126 Commander: Wheelstop, Houston.

7

00:01:37,170 --> 00:01:39,610

\h Alan Poindexter/Mission Control CAPCOM: Copy. Wheelstop, Endeavour.

8

00:01:39,610 --> 00:01:45,580

\h Welcome back. It was a great way to finish a fantastic flight Fergie.

9

00:01:45,580 --> 00:01:49,910

\h Chris Ferguson/STS-126 Commander: Hey, we're happy to be here in California.

10

00:01:49,910 --> 00:01:55,240

\h Alan Poindexter/Mission Control CAPCOM: We have no immediate post-landing deltas and we'll meet y
