00:00:00,630 --> 00:00:04,230

\h From the Kennedy Space Center in Florida, I'm George Diller.

2
00:00:04,230 --> 00:00:08,590

\h On a beautiful Florida morning, rollout of Space Shuttle Atlantis began

3
00:00:08,590 --> 00:00:12,730

\h with first motion at 5:02 a.m. on Tuesday, May 15,

4
00:00:12,730 --> 00:00:14,880

\h from NASA's Vehicle Assembly Building.

5
00:00:14,880 --> 00:00:20,320

\h It's Atlantis' second rollout to Launch Pad 39A for mission STS-117.

6
00:00:20,320 --> 00:00:23,270

\h A planned March launch was delayed due to hail damage

7
00:00:23,270 --> 00:00:26,910

\h to the external fuel tank that required repair.
