

1

00:00:00,000 --> 00:00:03,733

GEORGE DILLER: Pad water system is now on. T-15 seconds.

2

00:00:08,000 --> 00:00:09,400

Launch vehicle armed.

3

00:00:10,000 --> 00:00:12,400

Nine, eight, seven, six, five, four,

4

00:00:15,000 --> 00:00:21,333

go for main engine start, three, two, one, zero and liftoff of the Delta II rocket with STEREO,

5

00:00:22,000 --> 00:00:26,066

giving us a three-dimensional look at the physics of our sun.

6

00:00:29,000 --> 00:00:34,133

And the vehicle is working its way through the liftoff's, liftoff transients.

7

00:00:41,000 --> 00:00:41,600

Power motor chamber pressures all looking symmetrical.
