

An American Time The Space Shuttle

1
00:00:04,160 --> 00:00:02,000
my name is Jeremy par working the

2
00:00:05,720 --> 00:00:04,170
Kennedy NASA prototype development bench

3
00:00:06,650 --> 00:00:05,730
and I don't have any cool stories like

4
00:00:09,110 --> 00:00:06,660
all the other guys that have been here

5
00:00:12,080 --> 00:00:09,120
forever but I've only been here since

6
00:00:13,580 --> 00:00:12,090
sts-1 17 and I remember my very first

7
00:00:15,680 --> 00:00:13,590
launch and I've seen everyone since and

8
00:00:17,990 --> 00:00:15,690
I still get very excited and most

9
00:00:19,550 --> 00:00:18,000
emotional every time I see one it's kind

10
00:00:21,590 --> 00:00:19,560
of a kind of sad to see the program

11
00:00:23,660 --> 00:00:21,600
coming to an end but at the same time I

12
00:00:25,609 --> 00:00:23,670
hope we're moving on the bigger and

13
00:00:26,660 --> 00:00:25,619

better things a lot of heritage and

14

00:00:28,580 --> 00:00:26,670

history that's happened in this building

15

00:00:29,929 --> 00:00:28,590

and it's it's an honor to be able to

16

00:00:32,120 --> 00:00:29,939

write my name on the wall there with

17

00:00:33,920 --> 00:00:32,130

these people when I was in school is a

18

00:00:35,420 --> 00:00:33,930

engineering student I never in my

19

00:00:36,709 --> 00:00:35,430

wildest dreams imagined I would be

20

00:00:38,780 --> 00:00:36,719

working here at Kennedy Space Center

21

00:00:40,940 --> 00:00:38,790

working on America's space program and
