

Treasure: The Space Shuttle

1  
00:00:05,869 --> 00:00:03,260  
hi my name is Jimmy cornejo i worked for

2  
00:00:08,810 --> 00:00:05,879  
Boeing I'm the shuttle hardware pic

3  
00:00:12,680 --> 00:00:08,820  
manager one of the three and favorite

4  
00:00:14,480 --> 00:00:12,690  
favorite space shuttle launch memory has

5  
00:00:19,670 --> 00:00:14,490  
to be when I first moved out here back

6  
00:00:22,279 --> 00:00:19,680  
in 2002 august so that year we have my

7  
00:00:25,099 --> 00:00:22,289  
was my first one I'd seen them on TV on

8  
00:00:27,679 --> 00:00:25,109  
computer screens this whole time and now

9  
00:00:29,660 --> 00:00:27,689  
I'm sitting and all of a sudden my body

10  
00:00:31,460 --> 00:00:29,670  
for some reason for us to get a little

11  
00:00:33,200 --> 00:00:31,470  
nervous and almost sensitive in a way

12  
00:00:35,030 --> 00:00:33,210  
and then all of a sudden you hear the

13  
00:00:37,729 --> 00:00:35,040

temp ten nine eight and all the sudden

14

00:00:40,549 --> 00:00:37,739

it goes up I can i how can truly tell

15

00:00:42,770 --> 00:00:40,559

you that I almost maybe gave out two to

16

00:00:44,660 --> 00:00:42,780

three tiers I know I give up one but it

17

00:00:48,020 --> 00:00:44,670

was great it was a got a huge emotional

18

00:00:50,389 --> 00:00:48,030

feeling uh the the air felt different it

19

00:00:53,090 --> 00:00:50,399

smelled different this it was a night

20

00:00:54,860 --> 00:00:53,100

launch so it was great I mean my my body

21

00:00:56,540 --> 00:00:54,870

shook I felt that my ears were trembling

22

00:00:58,220 --> 00:00:56,550

I couldn't even hear myself talk at a

23

00:01:00,889 --> 00:00:58,230

point there's just like an amazing

24

00:01:03,709 --> 00:01:00,899

feeling and I'm going on eight years and

25

00:01:06,140 --> 00:01:03,719

I haven't missed one yet since I've been

26

00:01:08,000 --> 00:01:06,150

here lay my buddy Mario we uh we come

27

00:01:10,940 --> 00:01:08,010

out here we take a little cameras I have

28

00:01:12,200 --> 00:01:10,950

them all on my video my collection it's

29

00:01:13,940 --> 00:01:12,210

not going to be like this amazing

30

00:01:15,800 --> 00:01:13,950

gallery of videos that i have that i'll
