

THE FUTURE OF SPACE: THE SPACE SHUTTLE

Multiple sheets of text or diagrams are pinned to the wall in the background, appearing as a display or informational board.

1
00:00:05,150 --> 00:00:02,300
um I'm Kelly Jones and I work in any F

2
00:00:07,670 --> 00:00:05,160
for shuttle fluids the launch of the

3
00:00:10,759 --> 00:00:07,680
last Hubble mission that I got to see

4
00:00:13,970 --> 00:00:10,769
I'm a co-op so I mean any launch is

5
00:00:15,320 --> 00:00:13,980
exciting to see and what was excited

6
00:00:17,180 --> 00:00:15,330
about that was I actually got to meet

7
00:00:20,960 --> 00:00:17,190
and talk with the crew beforehand the

8
00:00:23,630 --> 00:00:20,970
summer before so it just felt great to

9
00:00:25,880 --> 00:00:23,640
watch Sasha knots launch and knowing

10
00:00:28,880 --> 00:00:25,890
that you had met them in person pretty

11
00:00:31,250 --> 00:00:28,890
memorable to know that I'm going to be
