00:00:38,630 --> 00:00:36,719

and how far you can see

17

00:00:41,190 --> 00:00:38,640

the view is just magnificent

18

00:00:42,950 --> 00:00:41,200

and then seeing the shuttle uh stacked

19

00:00:44,630 --> 00:00:42,960

right next to you right looking down at

20

00:00:47,270 --> 00:00:44,640
