

An American Treasure: The Space Shuttle

1
00:00:04,370 --> 00:00:02,149
okay I name is Mike Haddad working

2
00:00:07,639 --> 00:00:04,380
constellation se ni as well as lunar

3
00:00:09,290 --> 00:00:07,649
surface systems and my best memories of

4
00:00:12,039 --> 00:00:09,300
the shuttle program is all the amazing

5
00:00:15,440 --> 00:00:12,049
payloads got a chance to work space lab

6
00:00:17,470 --> 00:00:15,450
Galileo Ulysses Hubble telescope gamma

7
00:00:19,700 --> 00:00:17,480
ray observatory and all internationals

8
00:00:22,010 --> 00:00:19,710
got to meet along the way as well as

9
00:00:23,300 --> 00:00:22,020
international space station so a lot of

10
00:00:25,189 --> 00:00:23,310
the hardware flew in the shuttle was

11
00:00:26,630 --> 00:00:25,199
kind of kind of where I come from and

12
00:00:28,220 --> 00:00:26,640
all the good memories there all the

13
00:00:30,080 --> 00:00:28,230

people all the good science that has

14

00:00:32,389 --> 00:00:30,090

come out all the parties that were

15

00:00:34,819 --> 00:00:32,399

involved with all the people and it's

16

00:00:36,139 --> 00:00:34,829

all the contacts may tunes today started

17

00:00:37,700 --> 00:00:36,149

out in the early 80s and say hello as
