

1
00:00:04,190 --> 00:00:02,240
the one thing that I wanted to share was

2
00:00:07,639 --> 00:00:04,200
my first experience with the Saturn five

3
00:00:10,610 --> 00:00:07,649
and this we were standing outside the VA

4
00:00:12,820 --> 00:00:10,620
be at just on the north side and we were

5
00:00:15,530 --> 00:00:12,830
watching it with my future husband and

6
00:00:18,080 --> 00:00:15,540
back then you could get around and they

7
00:00:19,820 --> 00:00:18,090
didn't have any Gates or fences so we

8
00:00:21,560 --> 00:00:19,830
were standing in the shadow of the VAB

9
00:00:25,759 --> 00:00:21,570
and watched the Saturn five go the first

10
00:00:28,279 --> 00:00:25,769
one and that was back in 67 so seeing a

11
00:00:32,389 --> 00:00:28,289
lot of things change people come and go

12
00:00:35,660 --> 00:00:32,399
and I went but that was my most

13
00:00:38,660 --> 00:00:35,670

memorable experience was a Saturn 5 it

14

00:00:43,459 --> 00:00:38,670

was just tremendous to see the Saturn
