

# American Treasure: The Space Shuttle

1  
00:00:04,550 --> 00:00:02,230  
uh my name is timothy jase i work for

2  
00:00:06,070 --> 00:00:04,560  
nasa propulsion avionics working on

3  
00:00:08,230 --> 00:00:06,080  
shuttle main engines

4  
00:00:11,270 --> 00:00:08,240  
uh i've been out here for about five

5  
00:00:12,709 --> 00:00:11,280  
years um i have to say uh

6  
00:00:13,830 --> 00:00:12,719  
coming from new york we didn't really

7  
00:00:15,589 --> 00:00:13,840  
get to

8  
00:00:17,349 --> 00:00:15,599  
experience the shuttle launches unless

9  
00:00:19,269 --> 00:00:17,359  
we happen to see him on tv

10  
00:00:21,590 --> 00:00:19,279  
so moving down here

11  
00:00:22,470 --> 00:00:21,600  
uh to go to school and then

12  
00:00:23,990 --> 00:00:22,480  
back in

13  
00:00:25,990 --> 00:00:24,000

97

14

00:00:27,750 --> 00:00:26,000

that's when i really started to get that

15

00:00:29,189 --> 00:00:27,760

that feeling when i started to actually

16

00:00:32,790 --> 00:00:29,199

see the launches

17

00:00:34,310 --> 00:00:32,800

so when i got hired on here in 2005 i

18

00:00:36,389 --> 00:00:34,320

was fortunate enough to get hired on

19

00:00:38,310 --> 00:00:36,399

right before return to launch

20

00:00:40,950 --> 00:00:38,320

and uh

21

00:00:42,389 --> 00:00:40,960

when return to launch went up i

22

00:00:44,470 --> 00:00:42,399

i got to see

23

00:00:45,590 --> 00:00:44,480

all the people around me and all the

24

00:00:47,430 --> 00:00:45,600

emotions that were going through

25

00:00:49,510 --> 00:00:47,440

everybody everybody was crying everybody

26

00:00:51,670 --> 00:00:49,520

was hugging each other and it was just

27

00:00:54,790 --> 00:00:51,680

real touching to know that i'm now going

28

00:00:56,069 --> 00:00:54,800

to be part of something this special

29

00:00:57,510 --> 00:00:56,079

that

30

00:00:59,510 --> 00:00:57,520

i'm going to be able to take on some of

31

00:01:00,709 --> 00:00:59,520

those emotions as well so

32

00:01:02,709 --> 00:01:00,719

you know that was probably one of my

33

00:01:04,630 --> 00:01:02,719

favorite moments here and

34

00:01:07,190 --> 00:01:04,640

you know i'm just it's sad to see it

35

00:01:08,550 --> 00:01:07,200

coming to an end but i'm just happy i'm
