00:00:00,990 --> 00:00:04,820

George Diller/STS-133 NASA Commentator: From Launch Complex 39 at the Kennedy Space Center in Florida

2

00:00:04,820 --> 00:00:09,410

this is Shuttle Launch Control at T-minus three hours and holding.

3

00:00:09,410 --> 00:00:15,030

We have approximately one hour and 45 seconds remaining in this planned built-in hold.

4

00:00:15,030 --> 00:00:19,640

And we're now in the final five hours of the countdown for the launch of the last flight

5

00:00:19,640 --> 00:00:24,750

of the Space Shuttle Program and space shuttle Atlantis on STS-135.

6

00:00:24,750 --> 00:00:29,850

The countdown is being controlled from Firing Room 4 at the Launch Control Center.

7

00:00:29,850 --> 00:00:35,740

And we're on schedule for a liftoff targeted for 11:26 a.m.

8

00:00:35,740 --> 00:00:42,910

This is the 135th launch of the Space Shuttle Program; the 33rd launch of space shuttle Atlantis;

9

00:00:42,910 --> 00:00:46,190

its 12th to the International Space Station;
