\h

2
00:00:01,510 --> 00:00:03,663

Flight Commentator Rob Navius: Booster officer confirms main engine cutoff. For the

3
00:00:04,890 --> 00:00:05,893

last time, the space shuttle's main engines have fallen silent as the shuttle slips into the

4
00:00:10,020 --> 00:00:13,020

final chapter of a storied 30-year adventure.

5
00:00:14,430 --> 00:00:17,430

Now standing by for external tank separation.

6
00:00:26,420 --> 00:00:27,426

Atlantis off the tank. Commander Chris Ferguson will be maneuvering Atlantis now into

7
00:00:31,080 --> 00:00:32,173

an orientation to enable Sandy Magnus to capture digital still imagery of the external

8
00:00:35,720 --> 00:00:37,586

fuel tank as it drifts away.

9
00:00:37,760 --> 00:00:38,710

CAPCOM Barry Wilmore: OMS-1 is not required, your preliminary OMS-2 TIG,
