

Atlantis Space Shuttle

1
00:00:01,040 --> 00:00:01,830
NASA Test Director: SRO?

2
00:00:01,830 --> 00:00:03,810
Launch controller: SRO is go, you have a range clear to launch.

3
00:00:03,810 --> 00:00:05,100
NASA Test Director: CDR?

4
00:00:05,100 --> 00:00:07,200
Atlantis STS-135 Commander Chris Ferguson: CDR is go.

5
00:00:07,200 --> 00:00:09,980
NASA Test Director: Launch Director, NTD, our launch team is ready to proceed.

6
00:00:09,980 --> 00:00:11,740
Launch Director Mike Leinbach: I copy that. I'll do my poll at this time.

7
00:00:11,740 --> 00:00:13,270
Verify no constraints to launch.

8
00:00:13,270 --> 00:00:14,840
KSC chief processing engineer: No constraints.

9
00:00:14,840 --> 00:00:18,600
Launch Director Mike Leinbach: Thank you, Steve. Atlantis, launch director, air-to-ground one.

10
00:00:18,600 --> 00:00:20,260
Atlantis STS-135 Commander Chris Ferguson: Let's light this fire one more time,

11
00:00:20,260 --> 00:00:24,960
Mike, and witness this great nation at its best. The crew of Atlantis is ready to launch.

12
00:00:24,960 --> 00:00:28,060
Launch Director Mike Leinbach: Thank you, sir, we'll get you going here in a couple of minutes.

13
00:00:28,060 --> 00:00:31,280

NASA Test Director: NTD copies and launch director, that is our entire launch team, we are

14

00:00:31,280 --> 00:00:33,450

ready to proceed at this time.

15

00:00:33,450 --> 00:00:35,560

Launch Director Mike Leinbach: NTD, with that you are cleared to launch Atlantis.

16

00:00:35,560 --> 00:00:37,360

NASA Test Director: I copy that, sir, thank you.

17

00:00:37,360 --> 00:00:39,860

Controller: TLS is go for auto-sequence start.

18

00:00:39,860 --> 00:00:44,650

NASA Launch Commentator George Diller: T-10, nine, eight, seven, six . . .

19

00:00:44,650 --> 00:00:48,580

Controller: TLS is go for auto-sequence start.
