

1
00:00:11,200 --> 00:00:14,530

Mike Curie, NASA Commentator: And we have first motion of the shuttle carrier aircraft

2
00:00:14,530 --> 00:00:22,480

and space shuttle Endeavour beginning to thunder down the Shuttle Landing Facility runway 1-5.

3
00:00:23,350 --> 00:00:30,360

Heading to the southeast, taking to the skies for one last time from Kennedy Space Center.

4
00:01:03,590 --> 00:01:14,230

And wheels up, officially at 7:22 a.m. EDT.
