

1

00:00:01,810 --> 00:00:11,760

ULA or NASA Voice: 30 degrees per second and
now we have spacecraft separation.

2

00:00:11,760 --> 00:00:21,859

Centaur has begun its descent...and is settling
at four s motors at the moment.

3

00:00:21,859 --> 00:00:23,999

And Centaur has completed a descent.

4

00:00:23,999 --> 00:00:25,830

Centaur will now continue on to a collision
